# ABOUT THE COURAGE

The North Carolina Courage is a professional women's soccer team that plays in the NWSL (Women's First Division). The NC Courage are two-time NWSL Champions and three-time NWSL Shield-winners. On January 9, 2017, the North Carolina Football Club announced it had entered into an agreement to acquire the rights to the NWSL 2016 Champion Western New York Flash. The club was then renamed the North Carolina Courage. Steve Malik, owner of the North Carolina Courage, announced his intent to secure the awarding of an NWSL team on December 6, 2016 and achieved that objective in only one month's time. The Courage has the most NWSL trophies (7) of any club in the league's history.

The North Carolina Courage crest is a nod to the history of women's professional soccer in North Carolina, incorporating a stylized lion, a major component of the old WUSA Carolina Courage logo, while retaining the brand identity of the club's parent organization with the signature North Carolina Football Club star and the separated triangle. Additionally, the colors mirror those of the men's side, uniting the two teams under the North Carolina Football Club umbrella, while maintaining their individual identity.

In their inaugural season, the North Carolina Courage won the NWSL regular season, bringing the NWSL Shield home to North Carolina. The team also advanced to the NWSL Championship game. The NC Courage had two league award winners: Abby Dahlkemper (Defender of the Year) and Ashley Hatch (Rookie of the Year).

In 2018, the NC Courage were the NWSL Champions and Shield-winners breaking the NWSL record for the most wins in a season with 17. The team also broke the record for most points (57), fewest losses (1), most goals scored (53), fewest goals allowed (17), lowest goals against average (.71), and largest goal differential (+36). The Courage defeated the Portland Thorns, 3-0, on September 22, 2018 to win the NWSL Championship. Jessica McDonald was named the NWSL Championship MVP.

In 2019, the Courage won their third-consecutive NWSL Championship before becoming the first NWSL team to win the NWSL Championship on their home turf. In the Courage's 4-0 NWSL Championship win over the Chicago Red Stars, Debinha was named the MVP.

In a shortened 2020 season due to the COVID-19 pandemic, the NC Courage participated in the 2020 NWSL Challenge Cup and the NWSL Fall Series. In 2021, the Courage went 9-9-6 in the regular season. They clinched a spot in the playoffs, where they fell to the eventual champions, Washington Spirit, 1-0 in the 2021 NWSL Playoff Quarterfinals.

The team returned to their winning ways in 2022, capturing the Challenge Cup championship. The Courage never lost in the group stage, earning three wins and three draws to win the East Division. The Courage, seeded third in the knockout stage, took down the Kansas City Current, 2-1, in the semifinals then beat their fellow East Division Washington Spirit, 2-1, for the title. Debinha was named the Challenge Cup MVP, scoring five goals throughout the tournament.

After a rocky start to the regular season, the Courage went on a heavy playoff push, controlling their own fate on the final weekend of the regular season, but a draw at San Diego left the Courage in seventh place of a six-team playoff bracket. The Courage finished with 32 points, going 9-8-5. They ranked second in goals, goals per game, assists and goal differential for the regular season. Debinha and Carson Pickett were NWSL First XI while Kerolin Nicoli and Diana Ordóñez were Second XI.

Propelled by a league-MVP winning campaign from Kerolin, the Courage returned to the playoffs in 2023 but fell at in the first round to the eventual champions, NJ/NY Gotham FC. The team ended the regular season with a 9-7-6 record, competing for the Shield and a first-round playoff bye for much of the season before a third-place finish.

The Courage also retained their Challenge Cup title in 2023, beating Racing Louisville in the final 2-0 behind Manaka's stellar goal that earned the Courage newcomer the final MVP. In addition to Kerolin's MVP, a first for the team, Kaleigh Kurtz was nominated for NWSL Defender of the Year. Kerolin was also named to the NWSL Best XI First Team, while Kurtz, Denise O'Sullivan and Emily Fox made the Second Team.

# HEAD COACH SEAN NAHAS

Nahas begins his third full season as head coach of the Courage in 2024, bringing nearly two decades of coaching experience to the sideline.

Since being officially named as the team's head coach in December, 2021, Nahas had led the Courage to back-to-back Challenge Cup championships, adding to the team's league-leading trophy haul.

Nahas led the Courage to the 2022 Challenge Cup championship in his first season at the helm and was a member of the coaching staff that led the team to their NWSL Championships in 2018 and 2019.

The Courage went 9-8-5 in the 2022 regular season and narrowly missed out on the playoffs, falling just one point shy of sixth-place Chicago.

He and the Courage retained their Challenge Cup title in 2023, becoming the first-ever team to claim back-to-back Challenge Cups. The team also returned to the NWSL Playoffs, finishing third in the league table. The team was in the hunt for the NWSL Shield until the penultimate weekend of the season after being predicted to finish in the bottom portion of the league during the preseason, ending the year with a 9-7-6 record.

Under Nahas, the Courage have developed a distinct, possession-based style of play. In a league traditionally known for dominance in the transition game, Nahas' attacking style has proven to be not only distinct, but effective.

Nahas was originally named as the interim head coach during the 2021 season, but was given the job on a permanent basis after the season with players calling for him to receive the permanent role throughout his time as interim.

He has valuable US National Team coaching experience, including assistant coaching positions with the U20 USWNT and U14 Youth National Team and serving as a US National Team Youth Scout. He has held several leadership positions with CASL (now NCFC Youth), including Director of Girls Classic Soccer, ECNL Director, and Director of CASL Player Development. As ECNL Director, he helped CASL reach its highest ranking in USYS of No.7 nationally in 2010-2011.

Since taking over, Nahas has a record of 29W-17D-21L in all NWSL competitions entering the 2024 season.

# WAKEMED SOCCER PARK

**ADDRESS:** 101 Soccer Park Drive, Cary, NC, 27511

**CAPACITY:** 10,000

WakeMed Soccer Park is one of the premier soccer complexes in the United States and is the home of North Carolina FC and NC Courage. It opened in 2002 as the home of the Women's United Soccer Association's Carolina Courage.

The soccer complex consists of a purpose-built, soccer-specific main stadium, two lighted practice fields built to the same specifications as the stadium field, and four additional practice fields. Fields 1 (main stadium), 2, and 3 are all FIFA international regulation size (120 yards x 75 yards).

WakeMed Soccer Park opened in May 2002 as State Capital Soccer Park. It sits on 150 acres on the eastern edge of Cary that the State of North Carolina has leased to Wake County. Money to build the soccer park came from \$14.5 million in county-wide hotel room and prepared food and beverage taxes. The Town of Cary assumed responsibility for operations and maintenance in 2004 from the Capital Area Soccer League.

On January 1, 2008, WakeMed Health & Hospitals, a private, not-for-profit health care organization based in Raleigh, acquired the rights to name the park from the Town of Cary. SAS, a Cary-based software company, previously held the complex's naming rights.

In addition to serving as the home of the North Carolina FC and NC Courage, WakeMed Soccer Park has also been the host of men's and women's ACC soccer tournaments, men's and women's NCAA College Cups, as well as U.S. Men's and Women's national team friendlies. The stadium will play host to the 2023 NCAA Men's and Women's Lacrosse Championships and the site of the newly-created The Soccer Tournament.

# COURAGE MEDIA POLICIES

---

## CREDENTIALS

The Courage credential policy follows the NWSL regulations as stated on the previous page. Season credentials are reserved for media members working for approved outlets/publications OR with a proven track record of sustained coverage and reach through self publication.

To request season OR single-match credentials, visit [nccourage.com/media](https://nccourage.com/media)

## PRESS CONFERENCES

The Courage will routinely host press conferences with coaches and players surrounding NWSL matches and other select events. All home game press conferences will be offered in a 'hybrid' format, allowing in-person attendance while also offering virtual availability. Away press conferences will be virtual only, barring specific requests. Press conference schedules, participants, and links will be sent to the North Carolina Courage media distribution list. If you would like to be added to the media distribution list, please email [comms@northcarolinafc.com](mailto:comms@northcarolinafc.com) to request access.

PREMATCH: Match Day -1 or -2 (depending on availability and travel)

POST-MATCH: Following a 10-minute cool off period, coach and players will be made available to the media. Player requests can be made during matches by emailing [jlevy@northcarolinafc.com](mailto:jlevy@northcarolinafc.com)

SPECIAL EVENTS: When press conferences and/or media availability around special events are scheduled, the Courage media distribution list will receive advance notice and all pertinent details.

## TRAINING ACCESS AND SCHEDULED INTERVIEWS

The Courage will open at least 15 minutes of every training session to the media, as well as the entire training session on press conference days. Any in-person interview requests should attempt to be scheduled around training sessions and/or press conferences.

In-person or virtual interviews can be requested by contacting **Director of Communications, Jake Levy, at [jlevy@northcarolinafc.com](mailto:jlevy@northcarolinafc.com)**. Media members should NOT contact Courage players or staff directly, whether via phone, email, or social media, to request interviews. All interviews must be coordinated through the communications staff. Violators are subject to credential revocation and denial of team access.

## PRESS BOX REGULATIONS

- **ACCESS:** The press box is for credentialed, working media members, Courage staff, and Town of Cary staff ONLY. No guests are permitted without consent of the Courage communications team.
