

2025 MEDIA GUIDE

MEDIA GUIDELINES & POLICIES

GENERAL GUIDELINES

There will be no shooting or filming on the west sideline of BMO Stadium, unless you are escorted by a photo marshal.

Please DO NOT enter the Green Rooms on the Field Level. These are for ACFC staff only. Media members shooting or filming the game will be asked to wear a media bib for the entirety of the match that will be distributed at the credential desk. **Failure to comply will result in denial of a credential moving forward.**

CREDENTIAL AND BIB PICK-UP

Media Check-in will open in Gold Lot adjacent to BMO Stadium two hours prior to kickoff.

Please note, media will not be able to enter the stadium until that time. Photo identification is required for credential pick-up. **Credential pick-up will close 30 minutes after kickoff.**

NOTE: if you think you will arrive later than the time the credential tent closes please notify Kevin Rider (856) 558-3573 or Trenton Hernandez at 909-786-6196.

DO NOT TAKE A PHOTO OF YOUR CREDENTIAL AND POST TO THE INTERNET/SOCIAL MEDIA WHETHER PUBLIC OR PRIVATE.

YOU MUST RETURN YOUR MEDIA BIB TO A MEMBER OF THE ACFC PR STAFF OR YOUR CREDENTIAL WILL BE REVOKED.

MEDIA ENTRY

All media with valid credentials will enter BMO Stadium through the Media Entry gate, located on the Southwest side of the Stadium.

Press box media will continue through the media gate to the service elevator, then continue up to the Sunset level (4th floor). Please do not use the elevators located in the Grand Lobby.

Photographers will continue onto the main concourse where they will head to the elevator in the Northwest corner of the stadium. After taking the elevator down to the field level, photographers will walk through the North Hallway underneath the Supporter's Section towards the Northeast corner to their dedicated seat area (see attached media map). Please do not walk on or across the field at any time. A seating chart will be posted in the Northeast tunnel and will be strictly enforced. All photographers must stay within the designated area behind the video board.

Photographer workspaces in the northeast tunnel are available on a first-come, first-serve basis. Field-level media are encouraged to set-up their computers behind their shooting location.

Photo positions will be posted in the photography work area and stools will be labeled. Abuse of the photo work areas and media privileges will result in forfeiture of credentials.

Food and drinks will be provided to working media (press and photo) in the Press Box only two hours prior to kickoff.

PRESS BOX GUIDELINES

The Press Box located on the Sunset Level at BMO Stadium will open two hours prior to kickoff. Food will be available in the press box upon entrance and is allocated for media members only.

Admittance is limited to working media members with credentials only. The Press Box is a working environment for writers, reporters, photographers, broadcasters, and match day personnel. Cheering is not allowed in the press box.

Seating charts will be posted throughout the Press Box. Media members must sit in their designated seats only. Abuse of the Press Box and media privileges will result in forfeiture of credentials.

PHOTOGRAPHER GUIDELINES

The Photographer Work Area is located next to the photo locations on the field level in the Northeast tunnel. Photographers may only shoot game action from their designated seat (they will be marked).

VIDEOGRAPHER GUIDELINES

Videographers can shoot footage from the southwest corner of the stadium on the field level. Video positions are assigned. Please note that you can only enter and exit the field video positions from the southwest corner. Please do not store your equipment in the tunnel, but rather in the Press Room on the Sunset Level. You are permitted to film the first 15 minutes of each half and cannot post clips of the match until the final whistle. Any wireless microphones must be cleared by ACFC Staff prior to gameday.

FAN/CROWD SHOTS

If you would like to enter the Supporter Section on the North End of the stadium to get crowd shots, you must speak with a PR staff member stationed on the field or in the Press Box. They will then notify an ACFC Community Team member in the North End who can meet you and escort you. **Please do not enter the supporter section without notifying someone.**

LIVE SHOTS

If you have a request to go live at any point on match day, **please contact media@angelcity.com** as soon as possible to arrange your requests.

POST GAME PRESS CONFERENCE & MIXED ZONE

All credentialed media are able to access the Post-Game Press Conference at field level in the Interview Room beginning approximately 15 minutes after the final whistle. The press conference will feature the ACFC Head Coach in addition to (2) ACFC players. If any media member requests to speak to an individual that is not in the Post-Game Press Conference, there will be a mixed zone opportunity by request that will operate concurrently to the press conference. Any request to speak to a player in the mixed zone must be submitted to the ACFC PR Team before the press conference begins.

STADIUM & FACILITIES

BMO STADIUM

3939 S FIGUEROA ST, LOS ANGELES, CA 90037

Angel City FC plays its home games at BMO Stadium, a 22,000-seat venue designed by global design firm Gensler that opened in 2018. Originally the home of MLS's Los Angeles Football Club, BMO is the first open-air stadium built in Los Angeles since Dodger Stadium in 1962.

The actual field at BMO is 86,000 square feet of natural Bermuda grass, a turf variety adapted for Southern California weather. The closest seats to the pitch at BMO are just 12 feet from the touchline, and every seat is within 135 feet of the field.

Located in Exposition Park, BMO Stadium anchors the south end of the Figueroa corridor and has views of the Downtown LA skyline. The venue is located near the convergence of the 10 and 110 freeways and easily accessible via the Metro Expo line.

Fan Fest & Sol Rosa Rally

Angel City hosts a Fan Fest before every home game, featuring sponsor activations, rotating food carts, and performances by local artists. The festivities are held north of the stadium's Northwest Plaza, near Christmas Tree Lane. When they are not hosting Fan Fest, you can expect a Sol Rosa Rally throughout the Concourse which also includes sponsor activations, spirit stations and much more.

Box Office

The BMO Stadium Box Office is located at the northwest corner of the stadium and is open 2–6 p.m. every Tuesday. It opens at 10 a.m. on event days. Hours are extended to accommodate the needs of specific events. To purchase tickets, please visit www.angelcity.com.

Training Ground

Angel City's training facility is at California Lutheran University. As a part of an ongoing partnership, ACFC provides internships to Cal Lutheran students, has staff members serve as guest lectures in sports classes, and hosts entrepreneurial workshops at the team's front office located in Santa Monica.

ACFC PERFORMANCE CENTER

In April of 2024 Angel City Football Club (ACFC) extended its contract with California Lutheran University as the team's training site for the National Women's Soccer League team.

The team has practiced at Cal Lutheran since it was founded in 2022. The new two-year agreement, with a possible one-year extension, enabled ACFC to remodel the former facility of the Los Angeles Rams to create the largest dedicated performance center in the National Women's Soccer League (NWSL).

Features of the ACFC Performance Center include:

- A 5,400-square-foot gym equipped with brand-new performance and sport science technology in addition to direct pitch access with roll-up doors
- Custom lockers for players, coaches, staff
- Dedicated locker room for players under 18
- New hydrotherapy area including cold and hot plunge pools and saunas
- A private outdoor relaxation lounge
- A 3,400-square-foot medical treatment and rehabilitation area, a private recovery room, private doctor's office and medical staff offices
- Elevated nutrition area for athletes to fuel with fresh, nutritious meals prepared onsite
- Children's playroom to support the families of our players and staff including a TV, toys, coloring books, and a private restroom
- Custom pre- and post-training nutrition and supplement area
- A 930-square-foot team meeting and film room
- Coaching and performance offices for soccer operations staff
- A fit-for-purpose studio onsite for content capture and interviews
- A custom boot wall with space for 90 pairs of cleats
- A dedicated press conference and media work room

His NWSL experience began in 2013, when he was named head coach of the Washington Spirit mid-season. He led the group from a last-place finish in 2013 to two consecutive playoff appearances, including an appearance in the NWSL Final in 2015.

He was head coach of the Portland Thorns from 2016–2021, leading the team to five top-three finishes. Under his leadership, the team won two NWSL Shields, in 2016 and 2021, and a championship in 2017.

After leaving Portland, Parsons served as head coach for the Netherlands Women's National Team from 2021–2022. During his tenure, he guided the Dutch to the quarterfinals of the 2022 UEFA European Women's Championships.

TEAM HISTORY

ACFC TEAM HISTORY

Angel City Football Club's story begins in July 2020, when founders Kara Nortman, Natalie Portman, and Julie Uhrman launched the club as an NWSL expansion team and announced it would be taking the field in 2022. The team's inaugural game took place on April 29, 2022, a 2-1 win against the North Carolina Courage in front of a sold-out crowd of 22,000.

On the field, ACFC surpassed all previous expansion teams in 2022 with an eighth-place (out of 12) finish, winning eight games and earning 29 points—landing just four points out of playoff position. The team also played two friendlies that year, one against Liga MX Femenil side Tigres UANL, a 1-0 win, and one against the Mexico Women's National Team, which ended in a 0-2 loss.

Angel City's sophomore season got off to a rocky start, prompting the club to elevate Becki Tweed from assistant coach to interim head coach. Following Tweed's hiring in June, exactly halfway through the regular season, the team earned the best record in the league, going undefeated until the third-to-last game of the year. The club earned its first-ever playoff appearance—making them just the third NWSL expansion team to make the playoffs within their first two seasons—after closing out the season with a thrilling 5-1 home victory against the league-leading Portland Thorns.

On the field, 2024 saw mixed results, with an overall losing record punctuated by good results, including a handful of points earned against top teams. One highlight was the team's performance in the first NWSL x Liga MX Femenil Summer Cup, a mid-season tournament between the 14 teams of the NWSL and six teams from the Mexican top flight. ACFC went undefeated in the group stage to advance to the knockout rounds. A closely contested semifinal ended with a 1-0 win for NJ/NY Gotham FC.

The mid-season tournament also saw the return of forward Christen Press after a long struggle with injury. Press would return to the score sheet for the first time in more than two years in her 100th NWSL appearance, on October 12 against North Carolina. That goal was Press's 48th all-time, bringing her to eighth place on the list of top scorers in league history.

Another big moment for Angel City was a thrilling 7-0 win in their August 18 friendly against FC Juárez—their biggest win ever both in terms of total goals and margin of victory.

Since its inception, ACFC has been a standard-bearer for attendance not just in the NWSL, but in women's sports globally. In its inaugural season, the club sold out four games and averaged a league-leading 18,534 fans during the regular season. 2024 also saw four sellout crowds, with an average attendance of 19,313. In fact, in September 2024, the club was named most valuable women's sports team in the world following a controlling ownership sale to Dean of USC Annenberg School of Communications and Journalism Willow Bay and CEO of Disney Bob Iger.

ACFC prides itself on being not just a world-class soccer club, but a force for good in the community, with a first-of-its-kind business model that builds impact into the structure of the organization. Under Angel City's 10% Model, each sponsor contributes 10% of its total sponsorship money to a community partner, whose work ranges from sports equity to education to food security.

In 2024, the club launched Angel City Impact, aimed at shattering the barriers to play in US soccer. Partnering with the City of Los Angeles Department of Recreation and Parks, the community-powered fund provides low- and no-cost soccer to girls and gender-expansive youth at 104 recreation and parks sites across L.A., reaching over 15,000 young people annually.

The unparalleled atmosphere at Angel City home games is thanks not just to the club's attendance numbers, but also its six grassroots supporter groups: Mosaic 1781, Pandemonium, PodeRosas, Rebellion 99, Relentless Ladies, and Valkyries. During home games, the members of these groups—consisting of the most die-hard Angel City supporters—fill La Fortaleza, the safe-standing section in BMO Stadium's north end. Supporters spend the 90 minutes of each game chanting, waving flags, and urging ACFC to victory to the beat of a drum section.

SYMBOLS

The Story of our Crest

BREAKING THE MOLD

The angel wing breaks free from the shield, symbolizing how Angel City FC breaks the mold of a traditional sports team, breaks from convention, and will break through any barriers in our way.

NOT JUST AN ANGEL

The shape of our angel wings is inspired by a fierce bird of prey that lives year-round in Southern California: the Red-tailed Hawk. Our mission on the field is to win, we are hunting for victory. Also, like many birds of prey, the female hawk is more powerful than the male. Just sayin'.

TOGETHER WE SUCCEED

There are 12 feathers on the crest. Only when these 12 feathers are used together can we move forward. Championships are not won by only the 11 starters on the field, but by the entire roster, staff, and every supporter. They are the 12th feather! We cannot succeed alone.

THE ANGLE

The slope of the shield's top line is 22° off the horizon. The horizon is our starting point, the place from where we will take flight. Volemos! The 22° angle represents the year of our team's inaugural season: 2022. Also, it honors the 22 players, representing both sides, needed to compete in the beautiful game.

THE FUTURE IS BRIGHT

Our angel is flying upward toward the sun, toward the moon... toward the light! The upper right corner of the shield represents the sunrises and moonbeams that guide our way. Our mission is to have a positive impact on the game and our community. We will always strive to be better, to soar higher, and to shine light on others.

UNAPOLOGETIC OPTIMISM

The pink-to-orange color gradient is reminiscent of the sunrises and sunsets, for which Los Angeles is famous. The colors symbolize the optimism our team will always have and from which we will never back down. We each pound our own piece of pavement, but at the end of every day, we all look west to the same sunset. And after the sun has gone, we know the sun will rise again tomorrow.

L.A. ALL THE WAY

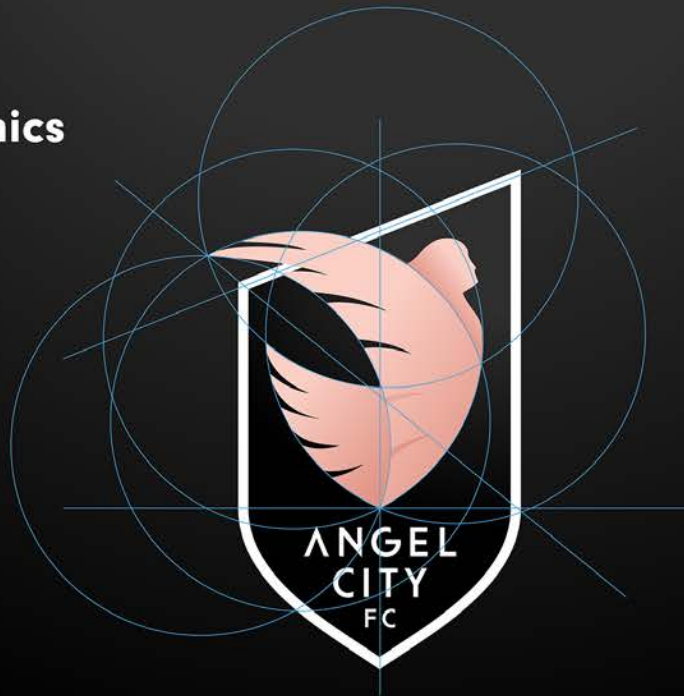

The design of some feathers are inspired by palm leaves. In every part of this massive and amazing city, palm trees live. This is our home and it must be represented in our crest. While we will soar to great heights, our priorities are strongly grounded.

HONOR THE PAST

The base of our shield shape pays homage to traditional soccer crests and soccer history. Angel City FC is here because of the trailblazers, the pioneers, the giants who came before us. Our crest proudly stands on their shoulders.

SYMBOLS

Crest Mechanics

The crest's 22 degree angle, vertical axis, and horizontal axis intersect with circles that make up the shape of the emblem. This creates balance in the crest.

JERSEY HISTORY & DETAILS

2025 JERSEY

The 2025 season will see the second, and final, year of the Moonlight jersey that places the wing from Angel City's crest in a gritty asphalt-like texture over a black background, a reference to the determination and resolve needed to conquer the path ahead. The wings themselves recall the club's motto, Volemos, and remind us to keep flying in our fight for equity.

This season also kicks off the beginning of the club's new secondary kit, Los Angeles. The jersey pays homage to the culture and history of Los Angeles with an all-over pattern highlighting the city's most iconic landmarks. The toile-inspired design consists of a cream background repeating illustrations that honor modern and historic LA, allowing both local and global fans to find representation within the pattern.

Historic Los Angeles landmarks represented in the intricate design include:

- LACMA City Lights
- Vision Theatre, Leimert Park
- Korean Friendship Bell, San Pedro
- Watts Towers
- Mariachi Plaza, Boyle Heights
- 6th Street Bridge with low rider
- Little Tokyo Lanterns
- Chinatown Dragon Gate
- Echo Park Lake
- Santa Monica Pier

In addition to honoring landmarks, symbolic designs incorporated in the pattern include:

- Surf van - representing the Pacific Coast Highway
- Fruit stand - found throughout LA neighborhoods
- Red-tailed hawk - LA's fiercest bird of prey and depicted in the ACFC crest
- Boom box - honoring LA hip hop culture
- Palm trees - iconic to LA's landscape
- California poppy - California State Flower
- Birds of paradise - official flower of Los Angeles
- Tattoo-inspired text:
 - "Volemos"
 - "Los Angeles" / "LA"
 - "Angel City Football Club" / "ACFC"
 - 7.21.20 - The date that ACFC was announced as an expansion team in LA

2024 JERSEY

The 2024 season kicks off with two all-new kits: the primary Moonlight jersey, and the sunrise-hued Sol secondary.

These two contrasting looks are in conversation with each other, each representing an aspect of the club that cannot exist without the other. Moonlight speaks to grit and determination, while Sol radiates joy and optimism.

Continuing with the home color palette established with ACFC's inaugural jerseys (see Jersey History below), Moonlight places the wing from Angel City's crest in a gritty asphalt-like texture over a black background, a reference to the determination and resolve needed to conquer the path ahead. The wings themselves recall the club's motto, *Volemos*, and remind us to keep flying in our fight for equity.

The sunrise-toned gradient of the Sol jersey, meanwhile, sends the message that even after the darkest night, the sun will always rise another day.

JERSEY HISTORY

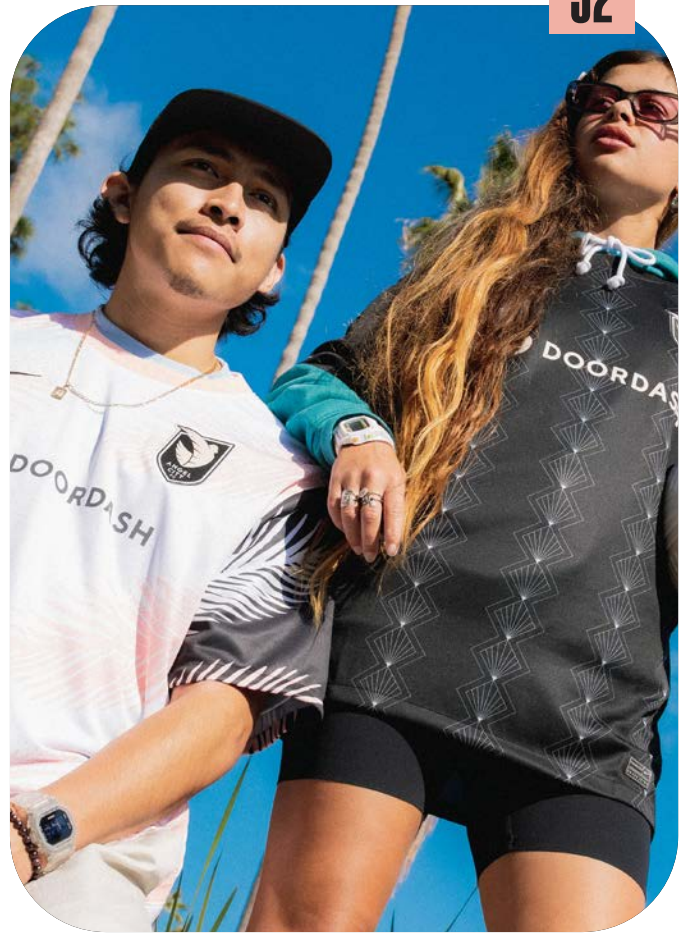

Over their first two seasons on the field, Angel City players wore three different jerseys, each reflecting a chapter in the evolution of the club.

2022: DAWN AND DAYLIGHT

ACFC's two inaugural kits celebrated the club's birth, marking the beginning of a new era in LA sports and the NWSL. Each speaks to a different facet of the Angel City's identity; the home jersey, called Dawn, was inspired by the club itself, while the away jersey, Daylight, was in conversation with the city we call home.

With its black background and geometric sunrise pattern, Dawn evoked the moment just before sunrise when first light appears on the dark horizon. The Art Deco-style pattern is a nod to LA's historic architecture, while the zigzag configuration recalls that of the city's official flag. The club motto, *VOLEMOS*, appears on the nape of the neck, a reminder to always keep flying for greater heights together.

The away kit, Daylight, was a streetwear-inspired look drawing on LA's iconic palm trees to tell a story about the whole city, from the concrete to the coast. The club's signature shade of pink, Sol Rosa, evoked a sunrise, radiating warmth and optimism.

2023: REPRESENT

With Dawn carrying over into 2023, ACFC's second season brought a new away kit, the Represent jersey.

This jersey celebrated the multifaceted, ever-evolving nature of LA's urban landscape. The map design begins with the coastline and covers the greater Los Angeles area before fading out in a gradient—making clear that Angelenos aren't defined by borders. The half-tone design treatment breaks the image into tiny pieces, representing the multitude of cultures and identities found in the LA area. The "VOLEMOS" neck hit was designed by local artist Rachel Gomez, whose work is inspired by the Chicano culture she grew up in.

To further drive home its inclusive, expansive vision of LA, Represent also came with the option for fans to customize their jersey with one of 11 unique patches designed by artists, community leaders, and visionaries from across the region. Each patch represented a different facet of the city, from its music and food scenes, to the Black, Asian-American, and Indigenous communities that call it home.

EXECUTIVE BIOS

WILLOW BAY

A broadcast journalist, media pioneer, and digital communication leader, Willow Bay is a controlling owner of Angel City and the dean of the USC Annenberg School for Communication and Journalism, where she has advanced student-centered, industry-engaged curricula and programs, increased access to new technology and data solutions, and expanded scholarship support for the next generation of media innovators.

The first female dean of USC Annenberg, Bay oversees nearly 300 faculty and staff, and nearly 3,000 undergraduate and graduate students across the fields of communication, journalism, public relations and public diplomacy.

Prior to her role as dean, Bay spent three years as director of the Annenberg School (2014–17), guiding the launch of the state-of-the-art media center in Wallis Annenberg Hall, introducing the school's new Bachelor of Arts in Journalism degree program and welcoming the first cohort of the school's nine-month Master of Science in Journalism program.

Sports has also been an area of focus for Bay beginning with empowering athletes to tell their own stories on NBC's "NBA Inside Stuff" and, most recently, helping to establish USC as the premier hub for the study and practice of sports journalism. In 2024, Bay and the "NBA Inside Stuff" team received the Naismith Basketball Hall of Fame's Curt Gowdy Transformative Media Award.

Bay also currently serves as vice chair of the Los Angeles County Museum of Art's Board of Trustees as well as chair of the International Women's Media Foundation's Los Angeles Advisory Committee.

BOB IGER

He has also helped Disney embrace new platforms and technologies, including the launch of the Disney+ streaming service in November 2019.

During Iger's tenure, The Walt Disney Company has been recognized as one of the "Most Reputable Companies" in both America and the world by Forbes magazine (2006–2019); one of the "Best Employers" in both America and the world by Forbes magazine (2019 and 2018, respectively); one of the "World's Most Admired Companies" by Fortune magazine (2009–2021); and one of the "World's Most Respected Companies" by Barron's (2009–2017).

Previously, Iger was president and COO of ABC from 1994 until its acquisition by Disney in 1996. Iger was named president of Disney in 2000, transitioning to CEO in 2005. He retired from his position as CEO in 2020 before returning in 2022.

In 2023, Iger was featured on the cover of Time as part of its annual 100 Most Influential People issue. He was named Time's Businessperson of the Year in 2019 and one of Forbes magazine's "World's Most Powerful People" in 2018.

Iger was inducted into the Television Academy Hall of Fame in January 2020, and the Broadcasting and Cable Hall of Fame in 2015. He currently serves on the boards of the 9/11 Memorial & Museum and Bloomberg Philanthropies. From 2011–2019 he was a member of the Apple board of directors.

This project marks MountainA's first animated feature since its launch and is currently in the finalization process. MountainA is also co-producing the upcoming film THE GALLERIST, directed by Cathy Yan and starring Portman amongst an ensemble cast. THE GALLERIST follows a desperate gallerist who conspires to sell a dead guy at Art Basel Miami. The film is set to begin shooting later this year.

She was previously seen on the big screen with her return to the Marvel universe as 'Jane Foster' in THOR: LOVE AND THUNDER, as well as Pablo Larraín's film, JACKIE, in which she starred as First Lady Jacqueline F. Kennedy. For the role, Portman was nominated for an Academy Award, a Golden Globe, a Screen Actors Guild Award, a BAFTA Award, and won the Critics' Choice Award. She wrote, directed, produced, and starred in A TALE OF LOVE AND DARKNESS, which made its world premiere at the 2015 Cannes Film Festival and its North American premiere at the 2015 Toronto International Film Festival. Next up, Portman will be starring in the upcoming adventure epic FOUNTAIN OF YOUTH, directed by Guy Ritchie and set to release in mid-2025. The film also stars John Krasinski, Domhnall Gleeson, and Eiza González.

In Fall 2020, Portman released her debut picture book, NATALIE PORTMAN'S FABLES, which is a New York Times' Bestseller.

Portman is a Harvard graduate with a degree in psychology and studied at Hebrew University in Jerusalem.

COMMUNITY IMPACT 10%

Angel City Funding Model

Impact is a core part of Angel City Football Club's identity, and it's been built into the club's business model from the beginning. The club has two funding sources for its impact work: the 10% Sponsorship Model and the Angel City Impact Fund.

The 10% Sponsorship Model

Through the pioneering ACFC 10% Sponsorship Model, 10% of each corporate partnership goes directly to support a community program. In 2024, Angel City partners donated over \$1 million to the LA community via the club's impact model.

Angel City Impact Fund

The Angel City Impact Fund launched at the end of 2024. Angel City Impact is funded by donations from the community and does not accept corporate dollars. This fund, which mobilizes Angelenos directly, has allowed the club to substantially expand its impact ecosystem, especially in the area of play equity.

Impact Pillars

The central mission of ACFC's impact initiatives is to leverage sport and entertainment to drive towards equity, with sports equity as a particular area of focus. The club's approach is multigenerational and focuses on girls, women, and gender-expansive individuals. To accomplish this mission, we partner with organizations working under our two impact pillars: essentials and education.

ESSENTIALS

The Essentials pillar includes programs focused on both basic needs and access to play.

Food security, community heritage engagement, volunteerism, transportation, and soccer programs all fall under this category, with corporate partners including DoorDash, Cedars-Sinai, Chevrolet, and BMO.

PLAY EQUITY

Girls Play Los Angeles (GPLA) and Football for Her are two of the play equity programs in ACFC's impact ecosystem.

Girls Play LA (GPLA), a program of the City of Los Angeles's Department of Recreation and Parks, provides low-cost sports leagues, camps, and clinics for girls and gender-expansive youth, with a focus on under-resourced communities. Program support includes recreational leagues at 104 sites and a leadership academy that targets high school-aged youth across five sites. Through collaborations with partners like BMO, youth are receiving sports-based youth development skills that will support them on and off the pitch.

Other programs under the play equity umbrella include camps and clinics throughout the LA area, as well as the Play with Pride Cup Tournament and Desert Pride Cup Tournament, which provide playing opportunities for adults from the LGBTQ+ community.

FOOD SECURITY & ACCESS

Angel City and its partners support a range of food security programs. This includes partnerships with All Peoples Community Center and the Los Angeles LGBT Center on their grocery distribution initiatives in collaboration with DoorDash. To date over 2 million meals have been distributed.

DIVERSITY, EQUITY, INCLUSIVITY, & BELONGING (DEIB)

At Angel City, we consider every person's ability to be their authentic self just as essential as our other basic needs. That's why DEIB is woven throughout our impact ecosystem. We reflect the diversity of our city through the events and celebrations we support. Through volunteerism, we offer opportunities to connect our community through service.

Diversity isn't just our strength—it's who we are.

EDUCATION

The education pillar focuses on leadership and professional development. Mentorship and internship programs, scholarships, community development, and coach trainings are among the specific areas supported by this pillar. Hubspot, NYX Professional Makeup, Justworks, PNC Bank, and Sprouts Farmer's Market, among other partners, all support programs in the education pillar.

LEADERSHIP

ACFC has two initiatives aimed at developing career and leadership skills in youth of color. .

The Artists in Residence program, led by the Las Fotos Project and sponsored by NYX Professional Makeup, gives young photographers the opportunity to photograph Angel City home games throughout the season. Participants work with a mentor and get to showcase their work digitally and at in-person exhibitions and digitally.

The SOAR internship program, sponsored by Bandai Namco, is a six-week paid internship where young women and gender-expansive youth of color shadow an ACFC front office department. Participants also collaborate on projects designed to build professional skills, leadership, and confidence.

STEM in Soccer bridges the exciting worlds of soccer and STEM to provide teenage girls and gender-expansive youth with the unique opportunity to learn about the technological advances transforming the sport. Through hands-on projects and access to subject matter experts from ACFC and Mindera Technologies, participants explore diverse STEM applications within a professional sports environment.

WORKFORCE DEVELOPMENT

Several programs in Angel City's impact ecosystem support career development for those involved with the women's game.

The Player 22 Program is dedicated to equipping retired professional women's soccer players with the skills and resources necessary for success beyond their playing careers. The program provides funding, resources, and education to empower participants to excel in new industries and business ventures.

The ACFC Coach Network aims to build a pipeline for women and gender-expansive individuals to enter the coaching space. Through the California State Soccer Association—South (CalSouth), in partnership with Gatorade, Football Manager, and Guayaki Yerba Mate, local female and gender-expansive coaches receive opportunities for licensing, resources, special events, and paid coaching opportunities.

COMMUNITY DEVELOPMENT

Several initiatives fall under the umbrella of community development.

Angel City FC's Community Workshop Program provides free professional and skill-building workshops designed to support LA-based community organizations and their leaders. ACFC is committed to empowering local change-makers, who are often limited by funding, with the tools they need for strategic growth and impact. The workshops offered under this program foster a culture of resource-sharing and collaborative support to strengthen community organizations' capacity for change-making.

Garden School Foundation's Seed to Table program, which ACFC supports in partnership with Sprouts Farmers Market, addresses barriers to wellness in historically under-resourced communities while inspiring the next generation of environmental stewards. Elementary-aged students are offered year-round, standards-aligned lessons in gardening and cooking. By blending science education with practical skills, the program fosters curiosity, environmental awareness, and lifelong habits of wellness. In addition, family workshops deliver nutrition education to students' caregivers.

The Twinning Project is a UK-based nonprofit that pairs up—or "twins"—professional soccer teams with local prisons and jails to provide educational services to incarcerated people. Angel City's program at the Century Regional Detention Facility in Lynwood, which began in 2023, was the first Twinning Project site at a women's facility. Participants in the six-week program receive soccer training and social-emotional skill development from qualified coaches.
