THE CLUB

HISTORY

On December 6, 2020, the National Women's Soccer League awarded an expansion franchise to Kansas City, which brought world-class women's soccer back to the Heartland. The ownership group of Angie and Chris Long and Brittany Mahomes had to hit the ground running after bringing the team to Kansas City as the club was set to play its first match in just 124 days.

A temporary name (and badge) outfitted Kansas City's NWSL squad in its inaugural season, but the unrelenting desire to become the best women's soccer club in the world quickly propelled the club to the national and international stage.

In the years that followed, Kansas City has made history at nearly every turn. At the end of its inaugural season, Kansas City revealed its new crest and identity – the Kansas City Current. In 2022, less than two years after being founded, the Current unveiled the first training facility in the world specifically built for a women's professional sports team.

The Current's momentum did not stop there. That same year the Current broke ground on something truly historic, the first stadium in the world purpose-built for a women's professional sports team. 2022 coincided with incredible on-field success as the year culminated with the Current's first-ever playoff berth and an appearance in the 2022 NWSL Championship.

Now, the Current has truly set itself apart. In 2024, the club opened CPKC Stadium to worldwide fanfare, a venue that has raised the bar for female athletes everywhere. Kansas City has sold out every regular season home match at its new stadium, and fans from around the world have gathered at Berkley Riverfront to experience the rushing, relentless momentum of the Current.

Revealed to fans in a packed stadium on October 30, 2021, the Kansas City Current brand and crest are an evolution of the Inaugural Season colors with Teal and Heartland Red carrying over to the permanent crest. Teal, a fan favorite from day one, signifies optimism, hope and inclusion, and Heartland Red represents the team's location in the heart of the country. Storm, an intense deep blue, is a grounding color symbolic of strength, determination and power.

ANGIE LONG

Angie is a trailblazer in the world of credit-related asset management, having dedicated her entire career to portfolio management and trading. She spent more than a decade working on Wall Street and was named Managing Director of JPMorgan Chase & Co. at age 29. She held many senior roles, including Deputy Head of North America Credit Trading, before moving to Palmer Square Capital Management where she serves as Chief Investment Officer and leads all investment-related activities.

An advocate for equal opportunities for women no matter what field or industry, Angie's determination and vision was critical in securing an expansion franchise for Kansas City. Her commitment to the vision is one of many ways in which Angie proudly supports women, opening more doors for generations to come behind her.

Angie is a Kansas City native who grew up playing many sports at a high level, including soccer where she excelled as a goalie. At Princeton University, Angie played rugby and was a member of two National Championship Teams, earning recognition as Co-Captain and Co-Coach her senior year. She was selected as an All-American in 1997. Angie obtained an Economics degree from Princeton.

CHRIS LONG

Chris Long founded Palmer Square Capital Management, an approximately \$25+ billion asset manager focused on corporate and structured credit with offices in Kansas City and London, in June 2009. Currently, he serves as Chairman, CEO and Portfolio Manager. Since inception, Chris has been successful in building one of the premier credit investment firms in the world with an enviable client list that includes not only large institutions and family offices, but also RIAs, bank/trust, and broker-dealers. Prior to starting Palmer Square, Chris built a deep investment background at some of the top financial firms in the world including Morgan Stanley, TH Lee Putnam Ventures, and JPMorgan & Co. Chris' breadth of investment experience

includes hedge fund investing, private equity / venture capital, and finally, investment banking.

In December 2020, Chris added the title of Professional Sports Team Owner, as he joined Co-Founder and Owner Angie Long and Co-Owner Brittany Mahomes in bringing a National Women's Soccer League franchise to Kansas City. The Kansas City Current launched on an extraordinary timeline, playing its first professional match just 124 days after the franchise was announced. As owners, Chris, Angie, and Brittany have had a clear vision of not only establishing the best women's soccer club in the world, but also having the Kansas City Current serve as a model for all of women's sports. Chris serves on the National Women's Soccer League's (NWSL) Board of Governors and Expansion Committee as well as on the Executive Committee of the Kansas City 2026 World Cup Bid. Finally, Chris was recently recognized for winning the prestigious Kansas City Sports Commission's 2022 Sports Executive of the Year and Sports Business Journal's 2022 Power Players – Women's Sports.

Chris received an MBA degree from the Harvard Business School and an AB degree in Economics cum laude from Princeton University where he played varsity basketball.

Brittany focuses her passion on creating exercise and training programs for people of all states on their fitness journeys and works to empower those to become the best version of themselves. An advocate for women in sports and a leader in the Kansas City community, Brittany has always had her eyes on bringing the NWSL back to KC. Her competitive drive and passion for the game of soccer bring a new energy to the club's ownership group. She shares the Longs' commitment to continue building a championship mentality in Kansas City for years to come.

Brittany obtained a bachelor's degree in kinesiology from UT Tyler.

PATRICK MAHOMES II

Patrick Mahomes II is the starting quarterback of the Kansas City Chiefs; founder and chairman of the 15 and the Mahomies Foundation; founder of 2PM Productions; co-owner of the Kansas City Current; co-owner of the Kansas City Royals; and co-owner of Sporting KC. In 2022, Patrick joined his wife, Brittany, in the ownership group of the Current, and became the first active NFL player to have equity in an NWSL team. Patrick shares the same vision as co-owners Chris, Angie, and Brittany of establishing the best women's soccer club in the world and having the Kansas City Current serve as a model for all of women's sports.

Since being drafted by the Chiefs as the 10th overall selection in the 2017 NFL Draft, Patrick has made a significant impact both on and off the field. On the field, he has led his team to seven AFC Championship Games, five Super Bowl appearances, and earned both NFL MVP (2018, 2022) and Super Bowl MVP (2019, 2022, 2024). Patrick leads the NFL in collective passing yards and TD passes over the last five seasons. Patrick has been selected to the Pro Bowl five times (2018-

2022), including being named the Offensive MVP in his first Pro Bowl. Additionally, he was named to the AP All-Pro Team (2018, 2020, 2022) as well as AP Offensive Player of the Year (2018). Patrick is the only player in NFL history to win two Super Bowls and two Super Bowl MVP accolades before the age of 28 years old.

In 2022 and 2023, Patrick was recognized as the Chiefs Walter Payton Man of the Year nominee for his charitable contributions in the community. Patrick founded the 15 and the Mahomies Foundation in 2019 with a mission of improving the lives of children through initiatives that focus on health, wellness, underserved communities and other charitable causes. Since its inception, Patrick and the foundation have made a remarkable impact in the community, including providing more than 175 charitable grants, over \$4 million in grant funding and donating over 15,000 meals.

Patrick has instilled many significant projects and programs across the Kansas City region as well as numerous other communities that have impacted his life. Patrick and the foundation re-dedicated Kansas City's Martin Luther King Jr. Park and contributed a \$1 million donation toward the playground that was designed to celebrate Dr. King and create a place that is inclusive and accessible for all children. Presently, Patrick and the foundation continue to emphasize its signature "15 for 15" program, which supports 15 charitable youth initiatives that focus on academics, science, the arts, classroom supplies, athletics, children with disabilities, after-school programs, and more.

Patrick and Brittany have three children, Sterling Skye, Patrick "Bronze" Lavon Mahomes III and Golden Raye Mahomes.

RAVEN JEMISON - PRESIDENT

Raven Jemison was appointed Team President of the Kansas City Current in January 2024. She oversees all business operations as the club opens the inaugural season in CPKC Stadium.

Jemison joins the club after spending the past three years as the Executive Vice President of Business Operations for the NBA's Milwaukee Bucks. On the court, the Bucks won their division every single year of her tenure and the NBA Championship in 2021. Off the court, Jemison's leadership enabled the Bucks to produce impressive growth across all major departments while building out the team's data analytics and digital marketing.

Her sports career began in the NHL as a Client Services Manager for the Florida Panthers. From there she worked her way up the corporate ladder with the Pittsburgh Pirates (MLB) and San Francisco 49ers (NFL) before joining the NBA in the Team Marketing & Business Operations department.

At the NBA, Jemison was able to use her skills and knowledge to help grow the entire league, while providing valuable insight to specific teams with the NBA, WNBA and G-League. She consulted with teams on all business operations, including ticketing, partnership sales and marketing.

CAITLIN CARDUCCI - GENERAL MANAGER

Originally hired as the Director of Soccer Operations for Kansas City, Carducci stepped in as the interim General Manager in May 2024. Since then, she has overseen the acquisition of several players vital to Kansas City's record-setting 2024 season, while also securing the future of the team by both re-signing established talent and identifying quality pieces.

Growing up playing the beautiful game in central Ohio, Carducci has been involved in soccer for most of her life.

Her professional career began at Xavier University as a compliance officer before moving to U.S. Soccer as the Manager of Member Programs. At USSF, Carducci

After five years at U.S. Soccer, Carducci joined the NWSL as Director of Player Affairs. While there she helped to develop the programs and regulations that have led to the unprecedented growth for the league and the influx of incredible talent from all over the globe.

Carducci lives in Kansas City, Missouri with her fiancé, John. An avid runner, she has run 10 marathons, including six of the World Marathon Majors. She has a BA in Sports Communication from Ashland University, Doctor of Law from Ohio Northern University and is a licensed attorney.

VLATKO ANDONOVSKI - HEAD COACH & SPORTING DIRECTOR

The Kansas City Current announced Vlatko Andonovski as the third Head Coach and first Sporting Director in club history on October 23, 2023.

For the past four years, Andonovski has led the U.S. Women's National Team. While at the helm he accumulated a record of 51-5-9. He led the team to the Concacaf W Championship in 2022, a Bronze medal at the 2020 Tokyo Olympics and four straight championships at the SheBelieves Cup (2020-2023).

A relatively unknown coach in 2013, Andonovski was named the first head coach of FC Kansas City. Since that time, he has become one of the most successful and recognized coaches around the world. With a record of 89-54-50 across all NWSL regular season and postseason play, Andonovski is one of only five coaches to have presided over 150 or more games and one of two coaches with multiple NWSL Championship titles to his resumé.

He spent five seasons with FC Kansas City (2013-2017) and two with Reign FC (2018-2019). He was named NWSL Coach of the Year in 2013 and 2019 and is the only coach to achieve that honor with more than one club. Across eight seasons in the NWSL he took his team to the playoffs six times and won back-to-back titles in 2014 and 2015.

CPKC Stadium

The first purpose-built training complex for a women's professional sports team in the United States.

Our training facility is our players' new home. The home they deserve - a space with world-class amenities and facilities, intentionally designed for their demanding, daily use. Built exclusively for them, used exclusively by them. A place they can show up to every single day to stay at the top of their game.

On June 22, 2022, KC Current unveiled its new \$18 million training complex in Riverside, MO. The training complex, privately-funded by team owners, is located just off I-635 and Horizons Parkway and is part of the team's aspiration to set the standard for the future of women's sport.

The complex includes two grass pitches and one artificial turf with more than 17,000 square feet. Meticulously designed, the layout is focused on all aspects of player health including training (elite weight, cardio and recovery assets) and nutritional (high performance chef, locally-sourced menus). In addition, the design is also focused on fostering player community and promoting physical and mental wellness. Beyond two world class pitches and a FIFA-approved turf pitch, the complex also includes nearby trails and an outdoor roof deck with views of downtown Kansas City.

KC Current had the complex designed by Generator Studio and built by Monarch Build, a female-owned construction firm.

Ten months into owning a professional women's soccer team, KC Current Co-Owners Angie Long, Chris Long and Brittany Mahomes would make one of the biggest announcements in the history of the sport.

On Oct. 26, 2021, they announced a privately-funded soccer-specific stadium at Berkley Riverfront Park, set to be the first stadium purpose-built for a women's professional soccer team..

"From the beginning, our vision has been to create a player-first experience, and facilities for our team that match not only the elite level of these incredible athletes, but also the passionate support of the Kansas City metro and our fans," said KC Current Co-Founder and Co-Owner Chris Long.

As part of a 50-year lease agreement with Port KC, the stadium is being built on a 7.08-acre site on the east end of the park in Kansas City, Mo. in partnership with primary design and construction partners Generator Studio, JE Dunn and Monarch Build.

In the local/regional markets, broadcasters should mention the time and location of the game along with their report. Outside of the local markets, broadcasters should mention the time and broadcast information.

Television Broadcasters' Web Sites: Video produced for air as part of regular programming that is simulcast or archived online must be accompanied by a link to NWSLSoccer.com. Content produced exclusively for the Internet is subject to the guidelines for Online Video.

Online Video

Game Action: Online organizations (including print publications that post video online) are not permitted to film or use game action video without prior written approval by NWSL. Game action includes any footage of the field, teams, etc., following the beginning of the television broadcast window. Only video of off-field activities (i.e. interviews, training sessions) may be recorded.

Non-Game Video: Any video posted online that is recorded as part of media access is limited to the use of eight (8) minutes per day/activity date. Online video may not incorporate integrated advertising and must be accompanied by links to NWSLSoccer.com.

Professional Presentation: Online video is expected to be recorded, edited and presented in a professional manner. Video must be presented/hosted on an organization's website, and not solely on a site provided by a third-party (i.e. YouTube, Vimeo, Facebook, etc.).

Online Video Sites: Organizations who regularly post video to online video sites (i.e. YouTube, Vimeo, etc.) may not include advertising with video gathered as a result of media access. Allowing users to embed these videos is not permitted, and the description of any video must include a link to NWSLSoccer.com.
