About Racing Louisville FC

Racing Louisville FC competes in the National Women's Soccer League, the world's best professional women's soccer league that was recently named the fastest-growing sports league in the United States.

The club is the first top-tier professional sports team in Kentucky or the region since the late 1970s, playing in the only soccer-specific stadium in the state — 15,304-capacity Lynn Family Stadium in the Butchertown neighborhood near downtown Louisville.

Often just called Racing, the roster features U.S. Women's National Team players such as Savannah DeMelo, Jaelin Howell and Carson Pickett in addition to regularly hosting the stars of women's soccer on rival NWSL squads. Rose Lavelle, Alex Morgan and Megan Rapinoe have all played at Lynn Family Stadium through Racing's first three seasons, along with world-renowned talents such as Carli Lloyd and Marta.

Former NWSL star Bev Yanez, a mother of two married to former University of Louisville star OT Yanez, is Racing Louisville's young head coach.

In 2023, Racing Louisville finished its best campaign to date, accumulating 27 points in the regular season and advancing to the UGG NWSL Challenge Cup Final, its first NWSL tournament final. The club also had a large presence at the 2023 FIFA Women's World Cup, with six players representing six different countries and scoring eight goals, one of the highest goal outputs of any club in the world.

Racing is run by Soccer Holdings, LLC, the same organization behind Louisville City FC, the two-time USL Championship titlists who have played in the Derby City since 2015. Both Racing and LouCity play home games at Lynn Family Stadium and operate out of the Lynn Family Sports Vision & Training Center along River Road.

John Neace

CHAIRMAN & CEO

John Neace has served as the chairman of the Soccer Holdings LLC Board of Directors for three years after serving as a member of the organization's ownership and board of managers since Louisville City FC's inception in 2014.

Neace exemplifies the qualities of a true entrepreneur. He has demonstrated his persistence and independence of spirit early, when, after growing up in West Newport with his mother and two siblings, Neace put himself through college at Northern Kentucky University and earned his MPA at Xavier University. After that, he built one of the top insurance agencies in the United States, growing his agency from zero revenue to more than \$100 million in just under 20 years.

In addition to his insurance success, Neace demonstrated a willingness to take risks by simultaneously building other businesses, including Talon Logistics, NB Develop, GC International, Old 502 Winery, Falls City Beer and Allterrain Paving & Construction, and franchising businesses Ashley Furniture and 1-800-GOT-JUNK, among others. Excluding insurance, Neace's companies average north of \$100 million in annual sales.

RYAN DELL

GENERAL MANAGER

Dell was named Racing Louisville's general manager in March 2023 after nine-plus years with the U.S. Soccer Federation, having spent his entire stint there with the Women's National Team. In his first year on the job, Dell helped usher in a new era for Racing with the appointment of Bev Yanez, the club's first female head coach. He also oversaw the expansion of Racing Louisville's technical and support staffs this offseason, adding a second assistant coach and player operations coordinator as well as a part-time dietician and part-time physical therapist through healthcare partner U of L Health.

The University of Missouri graduate started with USWNT as an equipment manager in 2013 and worked his way to his last role there, serving as the leader of team operations. He played an integral role in the team's preparations for the 2023 FIFA Women's World Cup and was part of the support staff for the U.S. teams that won the 2015 and 2019 World Cups. Dell's work as the USWNT Administrator and Team Manager focused on operations and logistics, ranging from preparing and managing the team's budget, schedule and travel to overseeing management and administration of issues related to the team's collective bargaining agreement.

Lynn Family Stadium

Lynn Family Stadium is the largest soccer-specific stadium in the region with seating locations for 11,600 fans and a capacity of 15,304.

Home to Racing Louisville FC and brother club Louisville City FC of the second-tier USL Championship, the stadium boasts 18 luxury suites, premium seating amenities like club and loge seats and ledge tables as well as a significant safe-standing supporter section.

The venue, owned by Soccer Holdings, LLC, is also available for concerts, festivals and other community events. It was named a winner of Greater Louisville Inc.'s Silver Fleur-De-Lis Award, dubbed Business First Louisville's Commercial Real Estate Deal of the Year and nominated for "Stadium of the Year" by StadiumDB.

Lynn Family Sports Vision & Training Center

Racing Louisville and brother club Louisville City FC operate out of the world-class Lynn Family Sports Vision & Training Center, one of the top soccer facilities in North America.

In addition to housing day-to-day operations for Racing, LouCity and their back-office staff, the facility serves as the home to the Lou City/ Racing Academy and the Lou City & Racing Foundation, the 501(c)(3) charitable arm of the organization.

LouCity and Racing moved into the Lynn Family Sports Vision & Training Center in July 2021. The building includes customized locker rooms for both clubs, a weight room, dining hall served by a full-time kitchen staff, media/film room and six playing fields, with two field-and-a-half grass surfaces for the pros and four state-of-the-art turf pitches used for the youth academy, camps, clinics and community events.

Located at 801 Edith Road, ground was broken Aug. 4, 2020, on the facility, which was built by AML Construction. It's a two-minute drive from Lynn Family Stadium.

PRO PLAYING CAREER: Washington Freedom (WPS, 2010); Western New York Flash (WPS, 2011); PK-35 (2011, Finland); INAC Kobe Leonessa (2012-14, Japan); Melbourne City (2016-17, Australia); Seattle Reign (NWSL, 2014-19)

PLAYING ACCOLADES: NWSL MVP finalist (2015; NWSL Best XI (2015); Nadeshiko League (2013, golden boot & Best XI)

Racing Louisville FC appointed Beverly "Bev" Goebel Yanez as its head coach in November 2023 following an exhaustive month-long search that included candidates from across the globe.

The 35-year-old Yanez, who spent this past season as an assistant coach with Racing, emerged as the top choice after a series of interviews and presentations with the club's various stakeholders, completing her rapid rise to a head coaching position four years after retiring as a player.

A former standout player for the Seattle-based club now known as OL Reign, Yanez worked three years in the National Women's Soccer League as an assistant coach after retiring, spending two seasons with NJ/NY Gotham FC before moving to Louisville in 2023. She helped Racing reach this year's UGG NWSL Challenge Cup final and helped lead Gotham's run to the 2021 Challenge Cup final and the 2021 NWSL Playoffs.

Known for her attention to detail, tactical nous and dedication to individual development, Yanez immediately impressed Racing players upon her arrival in Louisville and built strong relationships with the team through the course of the campaign.

The first-ever NWSL Draft pick from the University of Miami, Yanez won two NWSL Shields and was a Best XI selection and finalist for the league MVP award in 2015. Her playing career included stops in Australia, Finland and Japan – where she won the league's golden boot in 2013 – in addition to her time in the U.S. She helped OL Reign reach two NWSL finals, tallying 25 goals and nine assists in 123 appearances.

Yanez has won at every level, both as a player and coach. She won the 2011 Women's Professional Soccer League title with the Western New York Flash; the 2011 Finnish Naisten Liiga crown with PK-35; back-to-back Japanese Nadeshiko League championships with INAC Kobe; and the 2017 Australian W-League crown with Melbourne City.

2024 Technical Staff

Carmelina Moscato

ASSISTANT COACH

Moscato came to Louisville with a long list of soccer accomplishments, including three World Cup trips, an Olympic bronze medal and a Concacaf gold medal as a player for the Canada Women's National Team and a Liga MX Femenil title as the head coach and technical director at UANL Tigres in Mexico.

The Mississauga, Ontario, native has held an array of professional roles since her retirement as a player in 2016. Moscato has coached at the college, youth national team and pro levels – and she has also been a league commissioner and a director of football – with her career taking her to Australia, the Bahamas, Denmark, Mexico and the U.S.

Moscato even has a previous connection to Louisville: She worked three seasons as an assistant for Karen Ferguson-Dayes at the University of Louisville in the late 2000s while still playing professionally.

Mitchell Sowerby

ASSISTANT COACH

Sowerby moved to the NWSL after posting a 46-23-11 mark in four years as a collegiate head coach. At Oklahoma Christian, Sowerby's team posted a 10-win turnaround between his first and second seasons, earning a spot in the Division II Lone Star Conference championship in 2022.

He comes to Racing with experience across multiple levels of the sport. In addition to his college coaching work, he served as the academy director at Edmond Soccer Club in the greater Oklahoma City area. He was the camp director for Nike Soccer Camps in Oklahoma City.

He was an assistant coach for three years at his alma mater, Division II program Rogers State University, following his collegiate career. As a player, Sowerby was a three-time all-conference player who registered more minutes than any other non-goalskeeper in Rogers State program history.

Sergio Gonzalez

GOALKEEPERS COACH

Gonzalez joined Racing in 2021 after a stint as Indiana University's women's associate head coach. He boasts more than two decades of coaching experience, including additional collegiate stops at Dayton, Slippery Rock, NJIT and Ohio State. Internationally, he has also coached goalkeepers for the U-16 and U-17 national teams.

In his time at Racing, Gonzalez has developed the club into one of the top goalkeeper development programs in the NWSL. He coached Michelle Betos, the club's first No. 1, to a standout year, with the veteran goalkeeper finishing second in the league in saves, with 95. Gonzalez has worked closely with star Racing goalkeeper Katie Lund since the club's inception and Lund's selection in the 2020 NWSL Expansion Draft. In two-plus years as Racing's starter, Lund has been among the league's top goalies, with 12 clean

sheets and 214 saves. She was named to the 2023 UGG NWSL Challenge Cup All-Tournament Team.

Julie Twaddle

HIGH PERFORMANCE COACH

Twaddle joined Racing in 2022 after spending time in England as Durham Women FC's head of performance. Prior to that, she served as Manchester City's head of strength and conditioning. Twaddle earned her MSc in Exercise Science at Central Connecticut State University, where she was a member of the school's first women's soccer team. She was named Northeast Conference Player of the Year in 1998 and was inducted into CCSU's Hall of Fame in 2016.

#1 Katie Lund

PRONUNCIATION: LUN-d

POSITION: Goalkeeper

HEIGHT: 6-1

DOB: Nov. 27, 1996

HOMETOWN: Plano, Texas

CITIZENSHIP: USA

COLLEGE: University of Arkansas

PREVIOUS TEAM: Washington Spirit (NWSL)

ACQUIRED: 5th pick in 2020 NWSL Expansion Draft; signed through 2025

2023: Starting every regular season and Challenge Cup match for Racing, Lund ranked near the top of NWSL goalkeepers in several categories, including saves (2nd), saves from inside box (3rd), saves from outside box (1st) and save percentage (3rd) while registering nine clean sheets across all competitions. She was recognized on the UKG NWSL Challenge Cup All-Tournament Team and awarded NWSL Save of the Week on May 10.

2022: Lund started all 22 regular-season matches en route to breaking the NWSL single-season save record with 112 saves. The goalkeeper kept six clean sheets, boasting a 76% save percentage. She also tied the single-game saves record of 12 in Racing's 1-1 draw with OL Reign in August.

2021: Lund made her professional debut off the bench, becoming the hero of Racing's win over FC Bayern Munich in The Women's Cup final. Lund made four penalty kick stops and scored the trophy-winning kick in a dramatic shootout. She went on to make her first NWSL start Oct. 6 against the North Carolina Courage and took over the starting job between the posts toward the end of the season, tallying 16 saves as her side went 1-1-2.

Before Racing Louisville FC: Lund spent her first three seasons at Texas Christian University before transferring to Arkansas for her senior year. In her final season, she started all 23 matches for the Razorbacks and posted 11 shutouts. She led the SEC in save percentage (0.871) and was named 2019 All SEC-Second Team and All-Southeast Region Second Team. Lund signed with the Washington Spirit in February of 2020.

#2 Lauren Milliet

PRONUNCIATION: Mill-A

POSITION: Defender

HEIGHT: 5-1

DOB: Dec. 1, 1996

HOMETOWN: Durango, Colorado

CITIZENSHIP: USA

COLLEGE: Colorado College

PREVIOUS TEAM: North Carolina Courage (NWSL)

ACQUIRED: 6th pick in 2020 NWSL Expansion Draft, signed through 2026

2023: Milliet started every game and played every minute in 2023. She ranked among the league's best in possessions won (1st), recoveries (2nd), fouls won (2nd), possessions won in the defensive third (3rd) and interceptions (8th). She remains Racing Louisville's all-time leader in appearances, with 86, playing in every single regular season and UGG NWSL Challenge Cup match in the club's history.

2022: For the second straight year, Milliet was the only Racing player to make an appearance in every Challenge Cup and regular-season match. She scored her first professional goal in Racing's Challenge Cup win over the Kansas City Current, then got her first regular-season goal in the club's road victory at NJ/NY Gotham FC.

2021: In the club's inaugural season, Milliet was the only player to see game action in all 24 regular season matches. Earning 19 starts, the midfielder recorded 13 shots with three going on target.

Before Racing Louisville FC: After being selected 14th by the North Carolina Courage in the 2019 NWSL Draft, Milliet made two appearances in her rookie season. She went on to make four appearances in both the 2020 Challenge Cup and Fall Series. Milliet earned her first career assist against the Orlando Pride to close out 2020.

#3 Arin Wright

PRONUNCIATION: AARON

POSITION: Defender

HEIGHT: 5-7

DOB: Dec. 25, 1996

HOMETOWN: Wilmore, Kentucky

CITIZENSHIP: USA

COLLEGE: University of Kentucky

PREVIOUS TEAM: Chicago Red Stars (NWSL)

ACQUIRED: Traded from the Chicago Red Stars on 1/12/2024

Before Racing Louisville FC: Wright, née Gilliland, comes to Louisville after an eventful eight years with the Chicago Red Stars, where she twice earned first or second Best XI honors and was a 2016 Defender of the Year finalist. She was part of seven Chicago playoff teams, making two trips to the NWSL Championship, including starting in the 2021 final at Lynn Family Stadium.

In all, Wright tallied three goals and 13 assists in 164 appearances across all competitions, leaving Chicago as the club's all-time leader in games started, with 143.

Wright played for her hometown school, becoming one of the most decorated players in University of Kentucky women's soccer history. She's third all-time in both career assists and games played at UK and fourth in goals – and the program's leader in game-winning scores. While there, Wright led Kentucky to its first Sweet 16 in the NCAA Tournament.

In four years with the Cats, Wright was a four-time All-SEC selection, two-time MAC Hermann Trophy finalist and a two-time All-American, ultimately becoming the first Kentucky player to ever be selected in a professional women's soccer draft.

Before Racing Louisville FC: A four-year starter at UCLA, Turner was a four-time All-Pac-12 selection, the 2020 Pac-12 Freshman of the Year and a 2023 All-American, helping the Bruins win a national championship in 2022. She was the 2022 College Cup's Most Outstanding Offensive Player after scoring the game-winner against Alabama in the semifinal and a dramatic equalizer with 16 seconds left in the national title game.

After setting a new career mark with six assists her senior year to go with 10 goals, Turner became the first player in UCLA's rich program history to be named the Pac-12 Forward of the Year. She scored double-digit goals in each of her seasons in Los Angeles, amassing 42 goals, 16 game-winners and seven multi-goal games, all of which rank fifth in UCLA program history. She tallied 16 career assists.

Turner finished her college career ranking sixth in program history in total points, just ahead of some of the biggest names to ever put on a UCLA jersey, including Mia Fishel, Jessie Fleming, Sam Mewis and Ashley Sanchez. She is one of only five UCLA players to record two hat tricks in one season (2022).

International: A natural goal scorer who can play anywhere along the attacking front, Turner attended 20 camps with the U.S. U-23 National Team, including the 2023 Portland Thorns preseason tournament, where she scored against Racing in a friendly. She was part of the U.S.'s 2018 Concacaf U-17 Championship roster, scoring twice at the tournament.

#99 Olivia Sekany

NWSL MEDIA POLICY

Media credentials and access will be granted only to individuals with a legitimate working function at a game, training session or event. The bearer must be on a specific assignment. Credentials are non-transferable. Any unauthorized use of a credential subjects the bearer to ejection from the stadium. Resale or attempted resale is grounds for seizure and cancellation.

The following actions may result in seizure of credential and/or ejection of its wearer from the stadium or training facility:

- Requesting autographs at any time.
- Taking photographs with players/coaches

Using credential for family or friends of a working media member

- Conduction of unauthorized interviews
- Unprofessional behavior (Cheering in the press box, consumption of alcoholic beverages, failure to abide by posted rules, etc.)

TREATMENT OF CREDENTIALLED MEDIA

Postgame Media Access: Players from both teams will be available to media post-game in a mix-zone located outside the team locker rooms or in a location near the field of play. The mix-zone will begin 10 minutes after the conclusion of the match. Locker rooms will not be open to media at any point.

Team PR directors should be present to indicate the beginning and end of media access to players, and ensure media have access to the head coach and players after the match. All players are highly encouraged to be available to media post-game.

All regulations about post-game media access should be clearly communicated to team staff and security to ensure a secure environment.

No individuals other than League or Club representatives shall be allowed in Club locker rooms following a game.

Under no circumstances shall any club and/or its players discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.

Seating Access: Accredited media members will have access to the stadium, professional workrooms and stadium seating, if available. During the match, accredited media will have access to the press box which will be restricted to only those accredited media members.

In addition, each stadium should have a Press Box capable of seating no less than TEN (10) people, with separate areas for working press and electronic broadcasters, and sufficient power outlets for all needs. If possible, all accredited media members should be given a seat in the press box.

All credentialed media shall be seated in media seating areas, consistent with treatment afforded comparable media. In addition, all members of the media are to be afforded equal treatment and access to facilities and personnel, regardless of sex.

When the press box is fully occupied by working media, referee assessors or in-stadium observers shall be provided seating with a desk or table shielded from the weather and a vantage point to view replays (if available) from any telecast. The specific location may be determined by the Home Team but must provide these minimum accommodations.

In order to maintain the integrity of the working press box, seating is specifically reserved for media members. All other individuals (including player agents, VIP's and administrators) should be seated in overflow booths or assigned stadium seats.

Traveling Media: Members of the working media who travel with a visiting team are not to be treated in a discriminatory manner with regard to seating or any other privilege or facility accorded to the home media. Comparable seating and equipment should apply to home and road media (print and electronic).

Media Access to Practice: Clubs are encouraged to make all practices open to media. If a practice is closed, clubs must grant a 15-minute media access period at the start or end of practice, as well as making the coach and players available for interviews following the conclusion of practice. Clubs are strongly encouraged to ensure that ballwork is at least part of the 15-minute access period. If practices are open to the media, as defined above, they must be open to all media; if practices are closed to the media, they must be closed to all media.

Clubs violating the media access policies on practice days will be subject to fines or other discipline at the discretion of NWSL Commissioner

Jeff Plush.

Guidelines for Photographers and Camera Operators: All photographers and television camera operators must stay behind the field boards at all times, unless released by the on-site photo marshal. The only exception to the field board rule will be when a staff photographer, a national rights-holder or NWSL has a crew at a game. These entities will be allowed to shoot from the area between the field boards and the touch lines in the area bounded by the top of the 18-yard box and the end line.

Each photographer will be permitted to use one monopod — but no tripods. No seats other than “lawn-type” photographer seats will be permitted.

Stand-alone remote units will not be permitted at any time on or around the goal posts. Units mounted on the top of field boards behind the end line will be permitted at the stadium’s discretion, provided the equipment does not interfere with the clear display of the field board and does not impede the operation of broadcast equipment.

Live television crews located on the baseline or sideline will be limited to two (2) people — a camera operator and a cable-puller — and ENG crews will be limited to one (1) person. In either case, the crew must maintain actual possession of the camera and any other equipment during all game action. Cameramen and cable-pullers from all television crews must remain off the playing field at all times.

Photographer Access to field: Photographers and camera operators shall be permitted in the area between the field boards and the touch lines in the area bounded by the top of the 18-yard box and the end line (a C-shape that extends from the top of the 18, back behind the goal, and to the top of the 18 on the opposite side of the field).

Once situated, no movement between the two halves of the field shall be permitted until halftime. Changes in this policy will be allowed in cases where stadium facilities dictate alterations. No photographers shall be allowed to move from end to end on the bench side of the field.

Photographer Identification: In addition to their regular credential, it is strongly recommended that photographers and camera crews be issued with colored bibs or armbands. This makes them easy to identify, and they would presumably enjoy quick and easy access to their designated areas. This will necessitate a special area in or near the stadium where they can pick up their bibs, on presentation of their accreditation, either the day before the match or on game day, at the time media gates are opened. If they are not to be allowed to keep the bib, then it should be exchanged for a press card to be picked up following the game, or else signed out.

Photography Work Area: A work area should be provided for photographers, near the field where appropriate, with high-speed internet access. The size of the room may vary, but it should be sizeable enough for at least 5 – 10 people to work on desktops/tables. Like the press section of the stands, the photographers’ work room should have sufficient electrical sockets and compatible with the equipment being used for transmission.

Accreditation: Care should be taken when processing credential requests for photographers shooting for commercial agencies. NWSL does not permit the accreditation of photographers shooting specifically for commercial agencies. However, since many agencies offer editorial and commercial sales options (Getty Images, AP, Reuters, etc.) this must be handled on a case-by-case basis.

Non-Rights Holder Video Guidelines

Video Footage: All rights to match footage including all applicable copyrights belong to NWSL and its rights holders who broadcast each specific match. NWSL has one rights holders that will broadcast select matches in 2017: Lifetime. If an organization is interested in recording video footage at a NWSL match for non-news gathering purposes they should contact NWSL Communications.

TELEVISION BROADCASTERS

Game Action: Television broadcasters can use footage of NWSL events obtained either via 1) their own recording or 2) action dubbed from a NWSL rights holder broadcast (Lifetime) with credit only in connection with its regularly scheduled news programming within a week of the game. This footage should not exceed two (2) minutes. Highlights aired as part of a continuous news program should not be longer than one (1) minute per 30-minute segment. Credits: NWSL Media / Lifetime (for the Game of the Week); NWSL Media (for all other games).

Filming – Game Action: For televised events, non-rights holders / ENG cameras may record the first 15 minutes of each half (from 00:00 to 15:00 and 45:00 to 60:00 on the game clock). For non-televised events, non-rights holders / ENG cameras may record the entire game but are still subject to the aforementioned limits. This includes events that are web streamed live online.

Filming – Interviews and Scene Sets: There is no limit to the gathering of footage pre-game, at halftime and post-game. All footage gathered is subject to the usage guidelines indicated in this document.

Filming – In Seating Area: Video cameras looking to shoot in the concourse or seating area must contact home team and NWSL in advance

of the event for approval.

Previews or Advances: In advance of a NWSL event, television broadcasters can use two (2) minutes of archival game action to preview an upcoming event. In the local/regional markets, broadcasters should mention the time and location of the game along with their report. Outside of the local markets, broadcasters should mention the time and broadcast information.

Television Broadcasters' Web Sites: Video produced for air as part of regular programming that is simulcast or archived online must be accompanied by a link to [NWSLsoccer.com](http://nwslsoccer.com). Content produced exclusively for the Internet is subject to the guidelines for Online Video.

ONLINE VIDEO

Game Action: Online organizations (including print publications that post video online) are not permitted to film or use game action video without prior written approval by NWSL Media. Game action includes any footage of the field, teams, etc., following the beginning of the television broadcast window. Only video of off-field activities (i.e. interviews, training sessions) may be recorded.

Non-Game Video: Any video posted online that is recorded as part of media access is limited to the use of eight (8) minutes per day/activity date. Online video may not incorporate integrated advertising and must be accompanied by links to [NWSLsoccer.com](http://nwslsoccer.com).

Professional Presentation: Online video is expected to be recorded, edited and presented in a professional manner. Video must be presented/hosted on an organization's website, and not solely on a site provided by a third-party (i.e. YouTube, Vimeo, Facebook, etc.).

Online Video Sites: Organizations who regularly post video to online video sites (i.e. YouTube, Vimeo, etc.) may not include advertising with video gathered as a result of media access. Allowing users to embed these videos is not permitted, and the description of any video must include a link to [NWSLsoccer.com](http://nwslsoccer.com)
