For the first time, the NWSL schedule features 30 matches for each club with expansion sides Denver Summit FC and Boston Legacy FC beginning play as the league's 15th and 16th teams. Each club will play 15 home and 15 away matches. As the 2026 NWSL season coincides with the FIFA Men's World Cup, league competition will pause between June 1 and June 27 as venues throughout the United States host group stage matches. The schedule will avoid conflicts between NWSL matches and the FIFA women's international match calendar to allow the league's top players to compete for both club and country. Each club will compete in 30 regular season matches, with 15 home and 15 away fixtures.

Throughout the 2026 campaign, matches will be distributed across the league's broadcast partners as follows:

- Prime Video will air Friday night matches throughout the regular season, with weekly kickoffs at 8 p.m. ET or 10 p.m. ET.
- ION will present Saturday night doubleheaders, along with select expanded windows, and will continue its weekly studio show covering the NWSL and its players.
- CBS Sports platforms will carry a package of regular season matches, including games on the CBS Television Network/Paramount+ and CBS Sports Network.
- ESPN will televise matches across ABC, ESPN, ESPN2 and ESPN Deportes, with all games streaming live on the ESPN App in English and Spanish. The agreement also includes Latin American rights in English, Spanish and Portuguese.
- Victory+ will feature a weekly Sunday night showcase alongside 32 additional matches throughout the season, all available to stream for free on the platform.

Remaining matches will stream on NWSL+, the league's free direct-to-consumer platform. No regular season matches will be staged from June 1 to 28. The league will pause play for a CBA-mandated break from June 8-14 and for the remainder of the month while the 2026 FIFA Men's World Cup is staged across the United States, Mexico and Canada. The league will return to regular season play on July 3 following the conclusion of the tournament's group stage.

The regular season concludes with every team in action Sunday, Nov. 1 as final playoff positions are decided. The NWSL Playoffs, presented by Google Pixel, will begin with the quarterfinal round Nov. 6-8 ahead of the semifinal round on Nov. 13-15. The league will conclude its 2026 campaign with the 2026 NWSL Championship, presented by Google Pixel, on November 21. As part of the league's expanded playoff format introduced in 2024, eight clubs will qualify for the 2026 NWSL Playoffs.

***BRING THE  
CLUB***

# THE BAY WAY

On April 4, 2023, the National Women's Soccer League announced it awarded expansion rights for team #14 to an investment group representing the Bay Area, California, which would begin play in 2024.

Just over a year from that announcement, Bay FC kicked off the club's inaugural match, with the first goal coming only 17 minutes into the match and the first win coming 73 minutes later. Surpassing all outside expectations, Bay FC became only the second expansion club in NWSL history to earn a spot in the playoffs.

Co-founded by four U.S. Women's National Team legends—Brandi Chastain, Aly Wagner, Danielle Slaton, and Leslie Osborne—in partnership with global investment firm Sixth Street, Bay FC is changing the face of women's soccer as we know it.

Bay FC is a team that defies convention and transcends culture. We are proud to represent the Bay Area with its tapestry of different ethnicities, languages, climates, and ideas. Our team will be a uniting force, building a culture of belonging and shared pride. We will become a beacon of hope and connection, welcoming and embracing all fans. Our stadium will be a home for people of all backgrounds and identities. We will be the bridge that unites the Bay's diverse communities. Through our actions and our love of the game, we will inspire and improve the lives of others.

While our community is our foundation, our love of football is our reason for being. We have the fire to be the best, and we will show up on the field every day with intensity, competitiveness, passion, and a drive to win.

We are the Bay. We came to play.

# THE CREST

Bay FC is represented by a logo steeped in tradition, yet modern and unapologetically athletic: an iconic “B” mark that fuses bridge iconography with classic gothic typography. The logo represents the Bay Area’s unique culture and style, drawing inspiration from the iconic Golden Gate Bridge and the Bay’s impressive street art scene. The bottom and top serifs also nod to the fog that blankets much of the region.

“Bridges define the Bay Area and are symbols of strength that connect us all. Bay FC will unite the region’s tapestry of different cultures, languages and ideas with shared pride and a sense of belonging,” said Danielle Slaton, co-founder of Bay FC. “Our team will be bold and authentic, while humbly serving something greater than ourselves.”

In the team logo, the bold “B” is further brought to life with a refreshing palette of team colors—dark navy blue, warm poppy red and fog gray—a striking combination that stands out and is inspired by the natural beauty of the Bay Area. Both the name and branding offer a strong and classic style with representation of the community it strives to unify. Bay FC co-founders worked closely with renowned San Francisco-based advertising agency Goodby Silverstein & Partners (GS&P) to create the club’s brand and visual identity.

“Street art and street style are central to the soul of the Bay Area and were a big inspiration for this brand,” said Benny Gold, legendary local streetwear designer and design director at GS&P. “We designed a logo that people from all over the Bay, and far beyond, would be proud to wear and represent Bay FC.”

## Who We Are

Bay Collective is here to raise the bar for women's football. And then keep moving it higher.

As a multi-club ownership group, the focus is simple: build clubs that win on the pitch, thrive off it, and set new standards for the sport worldwide. Backed by Sixth Street's global platform, the ambition isn't incremental, it's transformational. For athletes, staff, and the communities that support them.

This team believes in the women's game because it has lived it: its talent, its momentum, and the hard graft it takes to scale sustainably. Clubs join a collective that protects their identity, amplifies their strengths, and connects them to world-class infrastructure and know-how.

The mission: nurture excellence and prove that women's football can be both culturally powerful and commercially robust at a global level.

## What We Do

Bay Collective aims to build world-class women's football clubs through bold investment, smart partnerships, and an unwavering belief in the athletes and the product.

Each club's DNA matters, so the work doubles down on what's unique locally, then equips it to compete and resonate globally.

This is about building resilient models that deliver competitive success, commercial growth, and long-term relevance.

## Why Bay Collective

Because women's football deserves a system built to last. And leaders who know how to build it.

Because identity, investment, and excellence aren't trade-offs; they're the blueprint. We call it our 'Bay-print'.

***BRING THE  
FACILITIES***

# TREASURE ISLAND

San Francisco Mayor London Breed and Bay FC announced September 24 at a joint press conference the plans for the location of Bay FC's new permanent training facility – Treasure Island. The training facility represents the next step in Bay FC's goal of becoming a global sports franchise.

Built and created specifically for women athletes, Bay FC's world-class training facility will be one of a few purpose-built training facilities for women's sports in the United States and home to Bay FC's players, coaches, and football operations staff. The facility will feature three training fields, dedicated sporting operations facilities, and top-of-the line resources and spaces for players needed to perform at the highest level. Bay FC's facility will be designed to complement the existing and planned youth recreational facilities on the island and further enhance it as a youth sports destination for soccer clinics, additional community activities, and more for the entire Bay Area.

Olson Kundig – an award-winning architectural and interior design firm – has been named the architect of record for the Bay FC Training Facility, the center of the Bay. The world-class training facility offers iconic 360-degree views—from San Francisco's Financial District to the Golden Gate Bridge, North Bay, the Bay Bridge, and East Bay. Bay FC's new home is designed to empower athletes, support staff, and create opportunities for community and youth connections, marking the next step in the team becoming a global sports franchise.

The facility features clear circulation pathways and a balance of private and communal spaces—from three training fields to dedicated recovery areas—ensuring seamless transitions between training, preparation, and downtime for both athletes and staff. Beyond the pitch, the facility will invest in top-of-the-line resources to support athletes' long-term success, including career development, educational resources, and business training.

Embracing its position within San Francisco, Bay FC Training Facility will integrate seamlessly into Treasure Island's sports and recreational landscape. In collaboration with the City of San Francisco and the Treasure Island Development Authority (TIDA), the training center's design will complement existing and planned amenities while fostering meaningful public engagement.

Bay FC Training Facility is expected to open in advance of the 2027 NWSL season.

# PAYPAL PARK

The stadium features a canopy roof and the largest outdoor bar in North America, a 2-acre fan zone and a double-sided video scoreboard, making it one of the greatest fan viewing experiences for any soccer game.
