ABOUT THE HOUSTON DASH

The Houston Dash are part of the Houston Dynamo Football Club, a multi-faceted organization that includes the Dash, Houston Dynamo FC and the Houston Dynamo Academy as well as Dynamo and Dash Charities. Ted Segal acquired a majority ownership interest in HDFC in June 2021 and serves as the chairman of the Club. Under his leadership the organization completed a multi-million dollar renovation of Shell Energy Stadium in March 2023 and the Club moved into a 27,000 square foot headquarters in East Downtown in July 2023.

The Dash compete in the National Women's Soccer League and began play in April 2014 for the start of the league's second season. The Dash were the first expansion club in the NWSL, joining the eight original members that launched the league in 2013, and the team captured its first league title with the 2020 NWSL Challenge Cup on July 26, 2020.

The NWSL is the top-flight women's professional soccer league in North America, featuring many of the top players from the United States, Canada, and Mexico, as well as talent from around the world.

The 30-game regular season runs from March through November. The team trains at Houston Sports Park (HSP), the premier training facility in Southeast Texas, and plays at Shell Energy Stadium in downtown Houston.

For more information, visit www.HoustonDash.com or call (713) 276-GOAL.

HOUSTON DASH TICKETS

Single-game tickets and full-season memberships are now on sale for the 2026 season. Fans are invited to be part of the excitement all season long and receive member only perks like exclusive discounts, access to special events with players, personnel and coaches, and more.

Additional benefits include:

- Access to the Member Season Kickoff Event on March 10
- Open training sessions at Houston Sports Park
- Pre-match and postgame member experiences
- Interest free payment plan
- Ticket exchange program
- Discount on additional tickets
- Exclusive presale access to international soccer games and other events at Shell Energy Stadium
- Team store and concession discount
- Youth camps discount
- Guaranteed access and preferred pricing to all home Dash playoff matches
- Complimentary tickets to the Dynamo home opener.

Premium Memberships are also available and offer a high-end experience with all-inclusive food and beverage.

Group tickets are also available for all Houston Dash matches. Whether you're planning a company outing, team building event, or celebration with friends and family, make Shell Energy Stadium your destination for an unforgettable experience.

For additional information visit HoustonDash.com or call 713-276-GOAL (4625)

TEAM LEADERSHIP

Ted Segal acquired a majority ownership interest in Houston Dynamo FC, which includes the MLS's Houston Dynamo, the NWSL's Houston Dash and leasing rights to Shell Energy Stadium, in June 2021.

Segal is the Founder and President of EJS Group, a real estate development and financing company focused on ground-up multifamily and mixed-use

development in primary markets, with an emphasis on the New York metropolitan area.

Prior to founding EJS, Segal was a Vice President at LS Power Equity Advisors, where he led corporate transactions and project development opportunities in the U.S. power generation sector. Segal was previously an associate at Latham & Watkins LLP, where he worked in the project finance practice group and represented developers, private equity sponsors and financial institutions in project financings and acquisition financings, with a principal focus on the power generation sector.

Segal graduated from the George Washington University with a B.A. in Political Communication and earned his J.D. from the New York University School of Law.

Segal and his wife have three children, who are all actively involved in youth soccer programs. He is a strong supporter of numerous charitable causes, notably Type 1 diabetes research, food insecurity, and Veteran Service Organizations.

Jessica O'Neill is the President of Business Operations for the Houston Dynamo Football Club (HDFC). In this role, O'Neill oversees growth efforts for Houston Dynamo FC of Major League Soccer, the Houston Dash of the National Women's Soccer League, Shell Energy Stadium in downtown Houston and Houston Sports Park, the teams' training

facility.

O'Neill joined HDFC in March 2022 and was named to her current role in January 2024. She leads strategic off-the-field initiatives to drive reach, revenue and engagement for the teams and facilities to ensure that HDFC is a destination of choice for staff, players, fans and partners. With the support of majority owner Ted Segal, her tenure is marked by significant facility renovations, an improved stadium experience and a new corporate headquarters.

The Tampa Bay, Fla. native graduated from the University of South Carolina. She currently serves on the board of directors for Downtown Houston+, the EaDo Management District and the Greater Houston Partnership as well as Dynamo & Dash Charities. In 2024, she was a recipient of the 40 Under 40 award from the Sports Business Journal and Houston Business Journal.

ANGELA HUCLES MANGANO
HOUSTON DASH PRESIDENT OF SOCCER

Angela Hucles Mangano enters her second season as the President of Women’s Soccer of the Houston Dash and she is the first individual to serve in this role. Hucles Mangano was hired on December 9, 2024, and serves as the Chief Soccer Officer for the team and brings nearly four decades of experience in the sports industry as an executive, motivational speaker and athlete.

Hucles Mangano previously served as the General Manager for Angel City FC. She joined the Angel City technical staff in 2021 as the Vice President of Player Development and Operations. Hucles Mangano was promoted to general manager the following year and built a roster that earned Angel City’s first ever playoff appearance in 2023. She led all aspects of soccer operations for the club and she helped the organization secure a nine-acre site to house its performance center prior to joining the Dash.

Her experience in the non-profit sector includes a two-year stint with Up2Us Sports as a Regional Director. She has also served on the board of non-profit organizations like You Can Play, which is dedicated to fostering a safe and inclusive environment for all who participate in sports, including LGBTQ+ athletes, coaches and fans.

Hucles Mangano is a two-time Olympic gold medal winner with the U.S. Women’s National Team and appeared in more than 100 matches for the United States. She also joined the USWNT for the 2003 and 2007 FIFA Women’s World Cups, earning two bronze medals. Her professional career began in Virginia where she played for the Hampton Roads Piranhas of the W-League for one season. She spent the next nine seasons in Boston playing for the Boston Breakers, both in the WUSA and WPS professional soccer leagues, and Boston Renegades.

Following her retirement from professional soccer, the Virginia Beach, Virginia native also spent time as a commentator for ESPN, NBC and FOX during their coverage of international events like the Olympic Games and FIFA Women’s World Cup.

FABRICE GAUTRAT
HOUSTON DASH HEAD COACH

Fabrice Gautrat enters his second season as the head coach of the Houston Dash and looks to build on a strong finish to the 2025 season. The Dash earned 19 points in the second half of the season, nearly doubling their tally earned in the first half of the year. Gautrat’s first year as the head coach of the team finished with a 5-4-4 (WLD) record in the final stretch of the season, with key victories over three teams that qualified for the postseason. The team ultimately posted an 8-12-6 (WLD) record and finished six points shy of securing a postseason berth.

Gautrat joined the Dash in January 2025 following two seasons with the North Carolina Courage as an assistant coach. The 38-year-old helped North Carolina reach the postseason in back-to-back campaigns and win the 2023 NWSL Challenge Cup. The team also reached the semifinals of the NWSL x LIGA MX Femenil Summer Cup.

The Santa Clarita, Calif. native began his NWSL coaching career with the Chicago Red Stars in 2020 as an assistant coach. The team reached the final of the inaugural NWSL Challenge Cup in 2020 and qualified for the postseason in back-to-back seasons following the return of league play in 2021. Gautrat also helped the team reach the 2021 NWSL Championship.

Gautrat brings extensive youth coaching experience to Houston following his time with Chicago FC United in Illinois, where he served as the academy director and led the transformation of the club into a nationally ranked program with multiple playoff appearances. He joined the club in 2018 as the head coach of the U-14 and U-19 teams and left in February 2022 to join the Red Stars full-time. During his time with FC United he also joined the U.S. U-17 Youth National Team camp in June 2019.

His experience includes a stint in France with Olympique Lyonnais in 2018 as an assistant coach for the U-19 women's and U-16 boy's squads. He also served as the director of coaching and academy director for Rush Soccer from 2015-2017 in Georgia. Gautrat began his coaching career at the prep level in 2008 in France and held various roles at Flintridge Prep and FC Golden State from 2010-2014.

Gautrat played professional soccer in the United States and France. He began his professional career in 2011 when he moved to France to play for UJA Maccabi. He played as a defender throughout his career and returned to the United States in 2014 to sign with the Orange County Blues. He finished his professional career in 2015 with the Atlanta Silverbacks of the NASL.

ABOUT SHELL ENERGY STADIUM

Shell Energy Stadium is a state-of-the-art, open-air stadium designed to host Houston Dynamo FC matches, Houston Dash matches and Texas Southern University football games as well as additional professional, collegiate and community sporting events, concerts, exhibitions, conventions and special events. Opened on May 12, 2012, the 340,000-square foot, 20,000-seat stadium is the first soccer-specific stadium in Major League Soccer located in a city's downtown district.

The Houston Dash have played select home games away from the stadium, including a match at H-E-B Park in Edinburg, Texas on September 27, 2017 against the North Carolina Courage, due to impacts from Hurricane Harvey. This marked the second time the Dash hosted a home game away from their home venue.

An architecturally stunning building, the stadium features 94,000 square feet of aluminum panels on its exterior, giving it a modern and stylish appearance. Each of the panels is 50 percent open to improve air flow throughout the concourses. Canopies extend 75 feet over the stands on the east and west sides of the stadium, and a stage canopy extends 125 feet over the south end, providing shade to soccer fans and a built-in speaker setup for concerts. With its downtown location, the stadium is a part of a true 'Stadium District,' which includes Daikin Park and the Toyota Center, as well as the George R. Brown Convention Center and Discovery Green.

The stadium was awarded the LEED® Silver certification from the U.S. Green Building Council in December 2012. The venue has been identified as a pioneering example of new construction and sustainable design and is considered a leader in transforming the building industry.

On June 13, 2019, the stadium was officially renamed from BBVA Compass Stadium to BBVA Stadium. The new stadium name and corresponding signage change was part of BBVA's ongoing brand unification happening across the globe. BBVA Group's new logo and brand signals an advancement in the financial institution's efforts become a single, global digital entity in all areas where it operates. The stadium was again renamed again in 2021 following the merger of PNC Bank and the U.S. division of BBVA.

The venue reopened its doors as Shell Energy Stadium in 2023 following an agreement between Houston Dynamo Football Club and Shell Energy. Both organizations are pursuing a variety of integrated energy and decarbonization solutions at the stadium, while also collaborating on important community initiatives. This includes a near-term goal to reduce the Club's scope one and scope two greenhouse gas emissions by 50 percent by 2026 from a 2018 base year.

ABOUT HOUSTON SPORTS PARK

Houston Sports Park (HSP) is the permanent home and professional training center for the Houston Dash, Houston Dynamo FC and Dynamo Academy. The multi-field facility is located off State Highway 288, approximately 10 miles south of Shell Energy Stadium. HSP has been funded and developed by the City of Houston with the assistance of the Houston Parks Board.

There are seven Bermuda grass fields and 1 FieldTurf™ field that currently accommodate practices, league play, camps and tournaments in an ideal location free from traffic or industrial distractions. Other park amenities include parking for up to 280 vehicles, and a picnic seating area.

The Dash have two, championship-level fields held exclusively for their training sessions throughout the NWSL regular season. The facility also features a state-of-the-art gym and additional accommodations for all teams that utilize the space.

NWSL MEDIA POLICIES

EVENT MEDIA GUIDELINES

Media credentials and access will be granted only to individuals with a legitimate working function at a match, training session or event. The bearer must be on a specific assignment. Credentials are non-transferable. Any unauthorized use of a credential subjects the bearer to ejection from the stadium. Resale or attempted resale is grounds for seizure and cancellation.

The following actions may result in seizure of credential and/or ejection of its wearer from the stadium or training facility:

- Requesting autographs at any time
- Taking photographs with players or coaches
- Using credential for family or friends of a working media member
- Conducting of unauthorized interviews outside of prescribed media access periods
- Unprofessional behavior (cheering in the press box, consumption of alcoholic beverages, failure to abide by posted rules, etc.)

TREATMENT OF CREDENTIALLED MEDIA

Media Access at Practice: Teams are permitted to designate one (1) day each training week as an open session (meaning the entirety of the training session will be open to media) but shall accommodate in-training availability as requested for the remainder of the week (minimum of 15 minutes).

Teams should make every effort to accommodate media requests for both coaches and players at the conclusion of training or the open media access period.

Failure to accommodate requests during media access periods as defined in the NWSL Media Access Policy (such as training sessions) will result in a fine.

Matchday-1 and Matchday-2 Media Access: Teams are required to make both the head coach and 1-2 players available to media at a pre-match press conference on MD-1 or MD-2. Any additional interview requests and availability will be accommodated to the best of the PR staff's ability following each presser. Failure to comply will result in a fine.

Post-Match Media Access: All players must be available for post-match media upon request. Teams may designate a space within the stadium to conduct interviews. In addition to general availability, 1-2 players and the head coach from both teams will be made available in a press conference format. Home teams must provide in-person access to attending media in addition to virtual press conferences. Visiting teams are permitted to hold virtual press conferences but should similarly make every effort to provide access to in-person media.

At least two players will be made available starting approximately 10 minutes after the final match whistle and head coaches will be

made available approximately 20 minutes after the final match whistle (or vice versa). Locker rooms will not be open to the media without the express permission of the NWSL and the NWSL Players Association.

Team PR directors will highlight players from the match and make all efforts to secure requested names from attending media, or media in the 'NWSLMedia' Slack channel, when choosing available players for press conferences. Selected players should be confirmed prior to the end of the match and clearly communicated to attending media as soon as possible. Team PR staff must be present to indicate the beginning and end of media access to players and coaches. All policies regarding post-match media access should be clearly communicated to media, team staff and security to ensure a secure environment. Failure to comply will result in a fine.

Seating Access: Accredited media members will have access to the stadium, professional workrooms and stadium seating, if available. During the match, accredited media will have access to the press box which will be restricted to only those accredited media members.

In addition, each stadium should have a Press Box capable of seating no less than TEN (10) people, with separate areas for working press and electronic broadcasters, and sufficient power outlets for all needs. If possible, all accredited media members should be given a seat in the press box.

All credentialed media shall be seated in media seating areas, consistent with treatment afforded comparable media. In addition, all members of the media are to be afforded equal treatment and access to facilities and personnel, regardless of sex.

When the press box is fully occupied by working media, referee assessors or in-stadium observers shall be provided seating with a desk or table shielded from the weather and a vantage point to view replays (if available) from any telecast. The specific location may be determined by the Home Team but must provide these minimum accommodations.

In order to maintain the integrity of the working press box, seating is specifically reserved for media members along with home and away team PR. All other individuals (including player agents, VIP's and administrators) should be seated in overflow booths/suites or assigned stadium seats.

Traveling Media: The home team shall provide seating for traveling media members at each match in the press box and should keep in mind the needs of media members traveling from the visiting team's area. The PR department of the visiting team should advise the home team no less than 48 hours in advance of how many members of traveling media plan to attend the match.

Guidelines for Photographers and Camera Operators: With the exception of staff/league photographers, national rights-holders or

NWSL MEDIA POLICIES

NWSL crews present at a match, all photographers and television camera operators must stay behind the field boards at all times, unless released by the on-site photo marshal. All non-league and team photographers and camera operators shall be permitted behind the field boards in the area bounded by the top of the 18-yard box and the end line (a C-shape that extends from the top of the 18, back behind the goal, and to the top of the 18 on the opposite side of the field).

Each photographer will be permitted to use one monopod — but no tripods. No seats other than “lawn-type” photographer seats will be permitted at the discretion of the stadium.

Stand-alone remote units will not be permitted at any time on or around the goal posts without the prior express approval from the NWSL Operations department. Units mounted on the top of field boards behind the end line will be permitted at the stadium’s discretion, provided the equipment does not interfere with the clear display of the field board and does not impede the operation of broadcast equipment.

Live television crews located on the baseline or sideline will be limited to two (2) people — a camera operator and a cable-puller — and ENG crews will be limited to one (1) person. In either case, the crew must maintain actual possession of the camera and any other equipment during all match action. Cameramen and cable-pullers from all television crews must remain off the playing field and behind field boards at all times.

Once situated, no movement between the two halves of the field shall be permitted until halftime. Changes in this policy will be allowed in cases where stadium facilities dictate alterations and these changes have been approved by the NWSL Communications office. However, no photographers shall be allowed to move from end to end on the bench side of the field.

Photographer Identification: In addition to their regular credential, it is strongly recommended that photographers and camera crews be issued with colored bibs or armbands. This will necessitate a special area in or near the stadium where they can pick up their bibs, on presentation of their accreditation, either the day before the match or on matchday, at the time media gates are opened. If they are not to be allowed to keep the bib, then it should be exchanged for a press card to be picked up following the match, or else signed out.

Photography Work Area: A work area should be provided for photographers, near the field where appropriate, with high-speed internet access. The size of the room may vary, but it should be sizeable enough for at least 5 – 10 people to work on desktops/tables. Like the press section of the stands, the photographers’ work room should have sufficient electrical sockets and compatible with the equipment being used for transmission.

Accreditation: Care should be taken when processing credential requests for photographers shooting for commercial agencies.

NWSL does not permit the accreditation of photographers shooting specifically for commercial agencies. However, since many agencies offer editorial and commercial sales options (Getty Images, AP, Reuters, etc.) this must be handled on a case-by-case basis.

NON-RIGHTS HOLDER VIDEO GUIDELINES

Video Footage: All rights to match footage including all applicable copyrights belong to NWSL. For the 2026 season, CBS, ESPN, Prime Video, Scripps and Victory + are the sole US rights holders for broadcasting matches. Organizations interested in recording video footage at an NWSL match for non-news gathering purposes must contact the NWSL Communications office.

TELEVISION BROADCASTERS

Match Action: Television broadcasters can use footage of NWSL events obtained either via 1) their own recording or 2) action dubbed from a NWSL rights holder broadcast (CBS, ESPN, Prime Video, Scripps) with credit only in connection with its regularly scheduled news programming within a week of the match. This footage should not exceed two (2) minutes. Highlights aired as part of a continuous news program should not be longer than one (1) minute per 30-minute segment. Credits: NWSL, LLC.

Filming – Match Action: For televised events, non-rights holders / ENG cameras may record the first 15 minutes of each half (from 00:00 to 15:00 and 45:00 to 60:00 on the match clock). For non-televised events, non-rights holders / ENG cameras may record the entire match but are still subject to the aforementioned limits. This includes events that are streamed live online.

Filming – Interviews and Scene Sets: There is no limit to the gathering of footage pre-match, at halftime and post-match. All footage gathered is subject to the usage guidelines indicated in this document.

Filming – In Seating Area: Video cameras looking to shoot in the concourse or seating area must contact home team and NWSL in advance of the event for approval.

Previews or Advances: In advance of a NWSL event, television broadcasters can use two (2) minutes of archival match action to preview an upcoming event. In the local/regional markets, broadcasters should mention the time and location of the match along with their report. Outside of the local markets, broadcasters should mention the time and broadcast information.

Television Broadcasters’ Web Sites: Video produced for air as part of regular programming that is simulcast or archived online must be accompanied by a link to NWSLsoccer.com. Content produced exclusively for the Internet is subject to the guidelines for Online Video.

ONLINE VIDEO

Match Action: Online organizations (including print publications that post video online) are not permitted to film or use match action

NWSL MEDIA POLICIES

video without prior written approval by NWSL. Match action includes any footage of the field, teams, etc., following the beginning of the television broadcast window. Only video of off-field activities (i.e. interviews, training sessions) may be recorded.

Non-Match Video: Any video posted online that is recorded as part of media access is limited to the use of eight (8) minutes per day/activity date. Online video may not incorporate integrated advertising and must be accompanied by links to [NWSLsoccer.com](https://www.nwslsoccer.com).

Professional Presentation: Online video is expected to be recorded, edited and presented in a professional manner. Video must be presented/hosted on an organization's website, and not solely on a site provided by a third-party (i.e., YouTube, Vimeo, Facebook, etc.).

Online Video Sites: Organizations who regularly post video to online video sites (i.e., YouTube, Vimeo, etc.) may not include advertising with video gathered as a result of media access. Allowing users to embed these videos is not permitted, and the description of any video must include a link to [NWSLsoccer.com](https://www.nwslsoccer.com).
