STARBUCKS LEGENDS

Seattle Reign FC continued its Legends Campaign, a partnership between the Reign and Starbucks, which honors women for their extraordinary contributions to our community.

Over the span of seven seasons, 90 Legends have been celebrated ahead of Reign FC games. On April 17, 2016, Lesle Gallimore was the first-ever Legend honored, seven years before she was named General Manager of the club.

In 2023, the Reign had 16 Legends recognized, spotlighting each woman for the positive impact they continue to make in the Pacific Northwest and beyond.

Legends are chosen from corporate, non-profit, academic, athletic and civic organizations with a presence in Washington State. Each Legend has made a lasting impact in their respective field or discipline. Any potential Legends can be shared with the Reign by emailing the nominee's name, professional title and any relevant links to partnerships@reignfc.com. To learn more about the Legends campaign and past honors, please visit www.reignfc.com/legends.

INTENTIONALIST

Seattle Reign FC works closely with Intentionalist, an organization committed to intentional spending that supports small businesses and diverse local communities. In 2022, the Reign selected Intentionalist as its Nationwide Community Partner, a season-long, civically-focused initiative that promotes community and local service projects chosen and led by each NWSL team. Thanks to the club's supporters on social media, Intentionalist was selected as the 2022 Nationwide Community Impact Award fan vote winner, helping secure \$5,000 to use towards supporting local businesses.

Intentionalist has an online guide that makes it easy for people to find local restaurants, bars, gyms, shops, and more owned by women, people of color, veterans, LGBTQ, families and disabled people. Beyond serving as a directory of local business, Intentionalist supports community connection through business profiles based on interviews with local business owners and meet-ups.

The Founder and CEO of Intentionalist, Laura Clise, was honored as a Starbucks Legend in 2021.

IN THE COMMUNITY

BLACK FUTURE CO-OP FUND

The Black Future Co-op Fund serves as critical catalyst for change, investing in areas that are underserved and unappreciated in an effort to elevate our community to a more equitable place.

After establishing a partnership with Black Future Co-op Fund in 2020, Seattle Reign FC took advantage of the incredible opportunity to use the club's most valuable media asset, their kits, to raise awareness for an organization that the club cares deeply about. For the last three seasons, the club has proudly worn Black Future Co-op Fund's logo on the front of its kits with the goal of making a greater and more immediate impact within our community.

At the end of the 2021 season, it was announced that Seattle Reign FC and the Black Future Co-op Fund had won the inaugural Nationwide Community Impact award and secured the \$20,000 grand prize for the Black Future Co-op Fund, bringing Nationwide's total donation to \$25,000.

Black Future Co-op Fund is Washington's first Black-led philanthropy and has united people with a shared mission. The Fund has been able to grant \$1 million to 40 organizations that traditional philanthropy has discounted and left unsupported. These funds directly provide more resources, collective power and support to Black Washingtonians.

KICK BREAST CANCER

Seattle Reign FC hosts its annual Kick Breast Cancer match, presented by the club's longtime partner, MultiCare, in October. Each year, the Reign and fans in attendance help transform Lumen Field by filling it with the color pink to Kick Breast Cancer. Prior to the game, breast cancer survivors and physicians were honored with on-field experiences.

Over the last two years, the Reign have hosted a Sports Bra Drive during the Kick Breast Cancer match to benefit The Sports Bra Project, a nonprofit organization that increases access to sports for women and girls by removing barriers to participation. In 2023, over 300 sports bras were donated.

In 2022, Reign FC players signed limited-edition Kick Breast Cancer shirts, which were auctioned off to raise funds for the non-profit Come Walk With Me as a part of a month-long fundraising effort in October with proceeds going to the MultiCare Good Samaritan Foundation to directly support access to programs and services for those battling breast cancer. With the generosity of Reign fans, over \$3,000 was raised from the auction for Come Walk With Me.

IN THE COMMUNITY

COMMON GOAL

Several players on the Reign partner with Common Goal, an organization that aims to collaborate towards an equal and sustainable future for all. Defender Alana Cook and club OGs Lauren Barnes and Jess Fishlock have all pledged at least 1% of their salary to fund the growth and development of Football For Her, a California-based nonprofit that provides safe spaces for youth who identify as female or nonbinary to play soccer.

BEACH CLEANUPS

In September 2023, Seattle Reign FC teamed up with the Seattle SeaWolves, Seattle Sports Commission, Players for the Planet and Puget Soundkeeper to help clean Myrtle Edwards Park. The cleanup included over 50 volunteers, collecting 177 pounds of trash that equated to \$177 to plant 177 trees through One Tree Planted, a nonprofit organization focused on global restoration.

Earlier in the year, the Reign collaborated with all professional sports teams in Seattle, alongside Players for the Planet, to cleanup Golden Gardens Park ahead of MLB All-Star week. On July 8, over 100 pounds of trash was collected by nearly 100 volunteers. Players for the Planet was founded in 2008 with the goal to involve more players in a positive change for the environment. The organization now features over 250 professional athletes, including several Reign players.

SNOHOMISH BOYS & GIRLS CLUB

In 2023, Seattle Reign FC teamed up with the Snohomish Boys & Girls Club for Gatorade's first-ever Get Fit Day. The day was filled with sports and activities that featured Reign FC players and over 200 boys and girls in attendance. The students also learned the importance of eating healthy and staying active. At the end of the event, \$20,000 was donated by the PepsiCo Foundation and Gatorade to the Boys & Girls Club.

WELLSPRING FAMILY SERVICES

With over 86,000 children experiencing homelessness in Washington - enough children to fill every seat at Lumen Field - Seattle Reign FC first partnered with Wellspring, a nonprofit organization on a mission to end family homelessness, for its Kids Day match on August 7, 2022, providing fans the opportunity to donate essential school supplies for children to feel prepared at the start of the school year. Over 300 school supplies were donated during the Wellspring Ready to Learn drive and over \$1,600 in online donations from Reign FC fans were received. That same year, President & CEO of Wellspring Family Services Heather Fitzpatrick was honored as a Starbucks Legend.

Seattle Reign FC players continue to support Wellspring by donating team-issued training gear, including shirts, cleats and jackets for local families.

IN THE COMMUNITY

THE BARBER COLLECTIVE

Ahead of last year's record-breaking Forever Reign: A Celebration of Megan Rapinoe match, the club's final home game of the regular season, the Reign partnered with The Barber Collective, a barbershop known for its welcoming environment by creating a space where everyone can feel safe to be themselves.

Through the partnership, a "Haircuts for Pinoe" campaign took place, providing free, gender-affirming haircuts for the queer community in honor of Rapinoe.

GOOD PLAY AMERICA

During Latinx Heritage Month in 2023, the Reign partnered with the Good Play America Foundation, a local non-profit organization focused on empowering youth through soccer and giving back to children in Colombia through donation, education and sport.

Seattle Reign FC Associate General Manager Santiago Gallo helped establish the partnership and during the Reign's match on September 6, the organization was present to educate fans, share their culture and collect soccer cleats to donate to children in Colombia. Alejandro Henao, Founder of the Good Play America Foundation, grew up in Cali, Colombia, and helped establish a vision at the organization where every kid in Colombia has access to quality soccer, giving them hope to turn their dreams into reality.

P-X-P

Seattle Reign FC is proud to enter its second season partnering with P-X-P, an organization dedicated to ushering in accessible and inclusive experiences in sports and entertainment for Deaf and Hard of Hearing fans. The partnership began in 2023, with P-X-P providing ASL interpretations for all home postgame press conferences, helping elevate the club's accessibility.

In 2024, the partnership will expand by adding a Deaf Performer, primarily done by Brittany Rupik, on the field to accompany the National Anthem singer at all home matches and increase the accessibility of the matchday experience. Additionally, Brice Christianson, Founder & CEO of P-X-P, will provide ASL interpretations for postgame press conference clips of both home and away matches.

P-X-P has also worked with the National Hockey League and the Milwaukee Bucks of the National Basketball Association.

IN THE COMMUNITY

PRIDE

Seattle Reign FC takes great joy in supporting Pride each and every day. From individual player efforts to organization-wide efforts, unwavering support for LGBTQ+ rights is ingrained in the Reign's DNA.

One of the highlights of Seattle Reign FC's support is the annual Pride match. Each year, the team puts on a match dedicated to celebrating and supporting the LGBTQ+ community. In a show of solidarity at each Pride match, Reign players wear jerseys that feature rainbow numbers on the back.

"I think, even for myself, as someone who's part of the gay community, I think that when I first came to Seattle and I first worked for this club, it was probably the first time I'd really felt comfortable, truly being authentically myself in and around the place that I work," said Seattle Reign FC Head Coach Laura Harvey. "I think that going all the way back to the first year of the league, this club set the standard on those issues, whether it be these or other social issues. I believe that that will forever be the case with this club. We're very inclusive, we're very outspoken about that and we truly believe in allowing people to be their most authentic self."

Reign players have also worn Protect Trans Kids t-shirts during warm-ups, which are auctioned off along with the Pride jerseys to raise money for a cause that supports the LGBTQ+ community. Last season, with the support of Starbucks, over \$30,000 was donated to Seattle-based LGBTQ+ organizations Lambert House and Lavender Rights Project. In 2022, the Reign used the proceeds to support Equality Texas and Associated Students of Seattle Pacific (ASSP). From 2020-21, the Reign partnered with Tacoma's Rainbow Center, an organization that expands resources and provides a safe space through education, advocacy, and celebration. In addition, the sponsor of the Pride match makes a charitable contribution to the organization.

IN THE COMMUNITY

Prior to the 2023 Doubleheader with the Seattle Sounders, players from the Reign and Sounders FC teamed up with Trans Families to host a soccer clinic for gender diverse youth, presented by Starbucks. The two-hour clinic featured small-sided scrimmages and concluded with a question-and-answer panel with the players. There were 20 youth participants from various gender-diverse backgrounds.

In 2022, the “Protect Trans Kids” warm-up were also available for fans to purchase online, with proceeds going to the ACH to Human Rights Campaign. Over \$17,000 was donated to the campaign from online shirt sales.

Off the field, Seattle Reign FC strives to work with inclusive organizations that support LGBTQ+ communities. In recent years, the team has partnered with Intentionalist to support LGBTQ+ owned businesses and announced its public support for the Washington Interscholastic Activities Association (WIAA) and its gender-inclusive toolkit for leaders who interact with youth athletes across the state.

On a daily basis, the Reign’s goal is to make the LGBTQ+ community feel seen, heard, valued and loved. Whether it’s walking in the Seattle Pride Parade or creating videos of support, it is paramount to the organization’s mission that the club’s support is impactful and clear.

LESLE GALLIMORE

GENERAL MANAGER

EXPERIENCE

LESLE GALLIMORE was named General Manager of Seattle Reign FC on May 31, 2023, overseeing all areas of the club's first team operations. In her first season with the Reign, the club advanced to the 2023 NWSL Championship.

Prior to this role, Gallimore worked with several active Reign players, both internationally and collegiately. During her time with the Huskies, Gallimore recruited defender Shae Holmes and third-year midfielder Olivia Van der Jagt. Gallimore has also worked with defender Lauren Barnes during her coaching tenure with the U.S. U-23 WYNT.

Gallimore joins the club after serving as commissioner of the Girls Academy (GA) since June 2020, when the development program was first formed. Under Gallimore's leadership, GA became the leading youth development platform for female soccer players throughout the United States. In the first three years of existence, GA developed over 13,000 female athletes in 91 clubs, making an immediate impact towards the growth of the sport in the U.S. Additionally, within the first two years of the GA league's official launch, over 600 players committed to continue their soccer journey at the collegiate level.

Rooted in the Pacific Northwest, Gallimore spent 26 seasons with the University of Washington women's soccer team as the second head coach in program history. From 1994-2019, the former Husky coach made 15 NCAA Tournament appearances, broke numerous records and twice earned Pac-12 Coach of the Year awards (2000 and 2019), becoming one of only five Pac-12 coaches ever to do so.

Following her coaching career at Washington, Gallimore was inducted into the Washington Youth Soccer Hall of Fame in 2019

in recognition for over 20 years of excellence coaching players on and off the field, joining Seattle Reign Academy Executive Director, Amy Griffin, in this honor.

As an inspirational leader, Gallimore was named the first-ever recipient of the Carla Overbeck Leadership Award by U.S. Soccer in March 2023. The honor is given to an individual who demonstrates a unique ability to lead and guide others and who contributes to the success of an initiative that benefits those outside their own organization and places emphasis on collaboration within and among leadership.

A lifelong steward of the game, Gallimore is a coaching mentor as part of U.S. Soccer's SheChampions Mentorship Program. The program seeks to inspire the next generation of female players and coaches through critical representation in the sport. Many notable coaches have participated in this program, including Head Coach Laura Harvey.

Gallimore also spent a year as the President of the United Soccer Coaches organization in 2018. This organization was created with the mission of inspiring coaches and igniting their passion for the game, passing it on to players and others in the soccer community. Continuing her mentorship, she has also been involved in the Empowering Women and Girls through the Sports Diplomacy Program through the U.S. State Department, traveling to Morocco, Ethiopia and Israel all in efforts to support and empower women and girls.

In 2016, Gallimore was the first community leader to be honored in the Reign's Legends Campaign. The longtime Reign supporter also broadcasted some of the Reign's matches when the team played at Memorial Stadium.

LAURA HARVEY

HEAD COACH

EXPERIENCE

LAURA HARVEY was named the head coach of Seattle Reign FC on July 15, 2021, after previously serving as the club's first-ever head coach for five consecutive seasons (2013-17).

Harvey, the winningest head coach in NWSL history, enters her ninth season with the Reign, having led the club to three NWSL Shields, which is also an all-time record among NWSL head coaches, and three NWSL Championship appearances (2014, 2015, 2023). Harvey holds an all-time NWSL regular season record of 97 wins, 64 losses and 52 draws.

Another addition to her list of records, Harvey has the most NWSL Coach of the Year selections as a three-time winner (2014, 2015, 2021). Harvey is also the first NWSL head coach to win the title on back-to-back occasions. The ninth-year Reign head coach has led the club to five appearances in the playoffs (2014-15, 2021-23), including an active streak of three consecutive appearances.

In 2023, Harvey became the first coach in NWSL history to reach 200 regular season games coached. Despite sending the most players in the NWSL to the 2023 FIFA Women's World Cup, she was able to lead the Reign to the No. 1 overall seed of the Challenge Cup. The club also remained in the playoff picture (top-6 in the league) throughout the entirety of the season following Week 2. Following the season, Harvey was named 2023 Seattle Sports Leader of the Year, presented by the Seattle Sports Commission Foundation.

The 2022 regular season ended with a seven-game unbeaten streak for Seattle, including three consecutive games on the road that all resulted in wins to help the Reign finish the season with a league-best 40 points and secure its third NWSL Shield.

Harvey was named a finalist for NWSL Coach of the Year, her second-consecutive nomination. Throughout the 22-game regular season, Harvey listed 21 different starting XIs as she balanced a busy and challenging schedule that featured up to a league-high nine players being called up for international duty on several occasions and an appearance in The Women's Cup. On August 20, 2022, the Reign claimed the second-ever Women's Cup title after defeating Club América in the semifinals and Racing Louisville FC, the defending champions of the tournament, in the final, thanks to Harvey strategically utilizing the club's depth throughout the tournament.

Joining Seattle midway through the 2021 season, Harvey managed the club to an eight-game unbeaten streak spanning from August 21 to October 16, allowing the Reign to host a playoff match for the first time since 2015. For all her work throughout the 2021 season, Harvey was named the 2021 NWSL Coach of the Year.

Prior to re-joining the Reign and the NWSL, Harvey signed with U.S. Soccer as the Under-20 Women’s National Team head coach in January 2020, where she led the U-20s through a seven-game unbeaten run at the 2020 Concacaf Women’s U-20 Championship in the Dominican Republic to capture the title. Harvey also served as an assistant coach for the U.S. Women’s National Team during the 2020 Olympic Games in Tokyo.

On November 17, 2017, the Utah Royals, in their first run as an expansion club, announced Harvey as the club’s first-ever head coach, where she took on a new challenge and fulfilled the role for the inaugural season in 2018 and the following season in 2019. Harvey worked closely in Utah with Scott Parkinson, the Reign’s Head Assistant Coach, where he served as an assistant coach under Harvey.

Before making the move to Utah, the three-time NWSL Coach of the Year was the Reign’s first-ever head coach and led the club for five consecutive seasons (2013-17). From 2013 to 2017, Harvey finished with a regular season record of 51 wins, 33 losses and 26 draws, a .464 winning percentage over 110 regular-season games with the Reign. She led the club to consecutive NWSL Shields and NWSL Championship appearances in 2014 and 2015. Harvey was the first head coach in the league to reach milestones of 200 matches coached and 100 matches coached, as well as the first to notch 50 wins.

Despite a difficult first season in 2013 for the club on the field, Harvey was building a culture of leadership, hard work, and positivity, which quickly began to show and translate to on-field success. In 2014, the Reign finished with a league-high 54 points, which is currently the second-most points recorded in a single season and the biggest turnaround between seasons in NWSL history, as the club finished with 36 more points than they tallied in 2013. The immediate turnaround helped the club reach its first-ever NWSL

The following season (2015), the club continued to excel by recording a league-high 43 points, winning back-to-back NWSL Shields and appearing in back-to-back NWSL Championships. Despite not making the NWSL playoffs in 2016 and 2017, the club finished fifth in the league in both seasons, falling short of the playoffs by one position.

Under Harvey’s leadership, she helped her players earn a combined 32 NWSL Best XI First Team and Second Team selections among 15 different players. The winningest head coach in league history also helped two players earn the title of NWSL Most Valuable Player: midfielder Kim Little (2014) and midfielder Jess Fishlock (2021). Harvey also coached defender Lu Barnes when she earned NWSL Defender of the Year in 2016.

Born on May 15, 1980, Harvey is originally from Bulkington, a village in Warwickshire, England. She attended George Eliot School in Nuneaton and played football for the Coventry City L.F.C. At the age of 22, she began her coaching career after tearing her ACL while playing for Birmingham City L.F.C. Harvey holds a USSF A Coaching License and a UEFA A Coaching License. She earned her BA in Sports Studies at the University of Wolverhampton in 2001 and her BTEC (Business and Technology Education Council) National Diploma in Sport from Henley College in 1998.

OFF THE FIELD

FOOTBALL FOR HER: Barnes dedicates her time to work closely with Football For Her, a nonprofit organization built to create a safe space for those who identify as female or nonbinary, offering mentorship and professional resources that may not otherwise be available. The organization educates, motivates and develops confidence on and off the field, helping youth participants reach their goals regardless of their economic standing. During this past offseason, Barnes spent time in California to help coach and mentor the youth at Football For Her, along with teammate Alana Cook.

COMMON GOAL: Barnes partners with Common Goal, an organization that also works closely with Football For Her. The organization aims to inspire everyone in football to collaborate towards an equal and sustainable future for all. Members of Common Goal pledge a minimum of 1% of all revenues to progress in these goals. The organization has over 220 professional players and managers and 187 community organizations.

M.A.D. TRAVEL KIT: Make A Difference (M.A.D.) Travel Kits was created by Barnes as a continuation of her sustainability efforts in the NWSL. All kits are exclusively stocked by companies that have a proven track record of sustainable production and aim to promote the use of responsibly-sourced goods. During the 2020 NWSL Challenge Cup, Barnes extensively tracked her own carbon footprint in the league's "bubble" and developed the idea for a way to spread sustainable practices throughout the league as a whole. These travel kits were put together to achieve the goal of making sustainable practice more accessible to the average athlete.

OCEAN RECOVERY GROUP: Ocean Recovery Group (ORG) is working to solve the planet's ocean-bound-plastic crisis in the Western Hemisphere. Barnes traveled overseas to the Dominican Republic to recover plastics for the global supply chain. On this trip in December 2022, the group, which included the Players for the Planet organization and 175 volunteers, collected over 2.5 tons of marine debris from Playa Montesinos and Puerto San Gil.

PLAYERS FOR THE PLANET: Barnes is also an ambassador for the nonprofit organization Players for the Planet, focusing on the importance of reuse and repurpose. The organization is filled with professional athletes who are striving to make a difference by eliminating plastic, creating recycling initiatives and prioritizing conservation efforts.

PLAY FOR TREES: Play For Trees is another organization that Barnes works with, which involves professional athletes planting trees every time they make plays. To date, the organization has planted over

130,000 trees. For every clean sheet Seattle Reign FC has, Barnes is planting 20 trees throughout the Pacific Northwest.

HONORS

NWSL DEFENDER OF THE YEAR: Selected as the NWSL Defender of the Year in 2016, becoming the first player in Reign history to win the award and the second player in league history. That season, Barnes started in all 20 matches and helped the team set a league record for most consecutive shutouts (5).

BEST XI: Barnes has been named to the NWSL Best XI First and Second Teams a combined four times, earning Best XI First Team honors in 2015 and 2016 and Best XI Second Team honors in 2014 and 2019.

"The amount of games that have been played in this league to have actually played in the amount she has is an unreal achievement. To have done it for the same club, in a league that's set up for that not to happen, is phenomenal. I don't think it will be matched. It shows just the level of talent she has, how consistent she is, how big of a role she's played in the development of what this club is today. She's willing to put her body on the line for the team and she does it without needing to be the star. It's just a phenomenal achievement."

This is my third team in the NWSL and I can say that this group is so insanely special. I think that the coaching staff does a really good job of making sure that the people who are here have similar morals and values and everyone in this locker room is so supportive of everybody to just be their best selves, on the field and off the field. I feel so valued just as a person and a player and I don't think that there's any other team in the NWSL quite like this one.

BETHANY BALCER

INTERNATIONAL

USA: Made her international debut on November 26, 2021 against Australia...Received her first call-up to the U.S. Women's National Team in December 2019....Was a United States youth international at the U-23 level.

COLLEGE

SPRING ARBOR UNIVERSITY (2015-18): Finished her career with a school record 129 goals, which ranks fifth all-time in NAIA history...Started in 97 of 98 matches played all-time...Helped the Cougars win their first-ever NAIA national title in 2015 and won a second national title in 2017...Named the NAIA Women's Soccer National Player of the Year in 2018, 2017 and 2015, becoming the first player to ever win the award three times...Set a program record for goals in a season in 2017 as a junior when she tallied 37 goals...Was the program's first-ever NAIA All-American First Team selection as a freshman in 2015 and went on to achieve the selection all four years.

YOUTH

Balcer attended Unity Christian High School, where she was a multi-sport athlete (soccer and basketball) and involved in a number of extracurricular activities, including student council.

OFF THE FIELD

HALL OF FAME: In January 2024, Balcer was inducted into the Spring Arbor University Hall of Fame after finishing her collegiate career as the all-time leading scorer in program history with an impressive 129 career goals.

BETHANY BALCER PRO CAMP: During the offseason, Balcer hosts her own pro camp through the Michigan Futbol Academy (MFA) where she leads technical training for all youth participants and has a Q&A session to inspire and educate the next generation.

CONCUSSION HEADBAND: Balcer has become an advocate for concussion safety in soccer. The forward is often seen wearing a headband while she's playing, which first began when she was growing up, to protect her from any potential concussions on the field. In exchange for wearing the headband, Balcer has gained more confidence when heading the ball knowing that her risk of a potential head injury is much lower.

HONORS

NWSL ROOKIE OF THE YEAR: Earned NWSL Rookie of the Year in 2019 after scoring a team-high six goals, which was also the most among all rookies. Balcer became the first player to ever win the award for the Reign.

BEST XI: Balcer is a two-time NWSL Best XI Second Team selection (2019, 2021).

She just knows where the goal is. She's willing to run through anything and anyone to score a goal. I honestly think with Boats that it's not even something that is coached in her, it's instinctive with her. It's why she has been able to score the amount of goals she has in this league, consistently, and she just knows where the goal is, she's instinctive.

- Head Coach Laura Harvey (Apr. 2023)

OFF THE FIELD

FIRST CANADIAN: In 2019, Huitema decided to forgo college, becoming the first Canadian woman to turn pro out of high school in signing a four-year contract with Paris Saint-Germain.

This is obviously my first team in the NWSL and it's the best team I've played on ever in my life, probably. The group is incredible and it's genuine. It's not fake, what you see is what you get, everything that we do on the field for games, we're doing it in training times 10. We're just wild and we love each other and it's so genuine. We have each other's backs so much and we have hard conversations, we say tough things and then we're open arms after games. It's just all of it. It's such a healthy relationship with everybody within the team, it's just so good, front to back, top to bottom, coaching staff involved as well, it's just such an incredible group that I'm really proud to be a part of because it's incredible. It's kind of unheard of in a way. I haven't played on a lot of teams that have this kind of connection, so it's definitely special.

OFF THE FIELD

MEMBER OF THE ORDER OF THE BRITISH EMPIRE (MBE): In 2018, Fishlock was appointed a MBE for her services in women's football and the LGBTQ+ community, receiving the recognition from the Prince of Wales at Buckingham Palace.

STONEWALL UK: Fishlock was named to the Stonewall Sports Champion Team in December 2020. Stonewall Equality Limited is a LGBTQ+ rights charity in the United Kingdom and the largest LGBTQ+ rights organization in Europe. "I am passionate about increasing the visibility of LGBT role models in football and using my position to inspire others," Fishlock told Wales Online. "It's important for everyone to be OK with who they are, and that they feel safe within themselves. Since I've got to that point I've been the best version of myself and I want others to feel the same."

LOVE IS IN THE AIR: Following the 2023 season, Fishlock got married to teammate Tziarra King in December.

HONORS

NWSL MOST VALUABLE PLAYER: Selected as the NWSL Most Valuable Player in 2021, becoming the second player in Reign history to win the award. Fishlock bounced back from a torn ACL in 2019 and appeared in a career-high 23 games, recording a combined nine goals and assists.

BEST XI: Fishlock has been named to the NWSL Best XI First and Second Teams for a combined seven times, the second-most selections in NWSL history (five First Team, two Second Team).

"She's class. She embodies everything that we want to be at this club and she has a really big football brain. She understands what she needs to do and what everyone else needs to do, which enables her to impact games the way that she does and get in positions to punish teams....Yeah, proud of her. Not overly surprised, but I think that when someone can come to a foreign country and play in a league that's so competitive for so long and be able to produce the levels that she's produced, she deserves way more plaudits than she probably gets and I think age is but a number with her."

Every single day - we have all the data and all that stuff - she always is the one that has done the most; she always runs about like a lunatic every day. GENERAL INFORMATION

SEATTLE REIGN FC CLUB HISTORY

Seattle Reign FC, one of the eight inaugural members of the National Women's Soccer League, was founded in 2012 by owners Bill and Teresa Predmore. The club played its first season at Starfire Stadium in Tukwila, Washington, before moving to Memorial Stadium in Seattle in 2014. The club won consecutive NWSL Shields in 2014 and 2015, finishing at the top of the table both seasons. Head Coach Laura Harvey was named the NWSL Coach of the Year for the 2014 and 2015 seasons. The club missed the playoffs in 2016 and 2017, before returning in 2018, in its first season under head coach Vlatko Andonovski.

On January 30, 2019, the Reign announced that it would begin playing its home matches at Cheney Stadium in Tacoma, Washington. The club reached the NWSL semifinals for a second consecutive season in 2019, before Andonovski departed the club to accept the head coaching position with the U.S. Women's National Team. In November of 2019, it was announced that the Predmore's had entered into exclusive negotiations to sell the club to OL Groupe, the parent company of Olympique Lyonnais. The sale was announced on December 19, 2019, with OL Groupe becoming 89.5% owners, the Predmore's retaining a 7.5% stake and four-time NBA champion Tony Parker holding a 3.0% stake. In March 2020, the club officially unveiled its new name and crest ahead of the 2020 season - OL Reign.

In 2021, the Reign played its first game at Lumen Field in Seattle, Washington, as part of a first-of-its-kind doubleheader event in partnership with Seattle Sounders FC. Following that event and an inspiring comeback season led by Harvey and Assistant Coach Sam Laity, the team finished in second place in the NWSL standings and competed in an NWSL semifinal match. It was then announced in December 2021 that the team would be making Lumen Field its new home stadium beginning in 2022. Club founders Bill and Teresa Predmore announced prior to the start of the 2022 NWSL season that they would be stepping away from the club in an operating capacity and former Chief Operating Officer, Vincent Berthillot, was appointed CEO.

The Reign played its first-ever regular-season home game at Lumen Field on May 8, 2022. The club went on to break its attendance record on four different occasions throughout the 2022 season, setting the new record at 21,491 fans during the NWSL semifinal against the Kansas City Current on October 23, 2022. In the regular season, the club reached an attendance record of 10,746 fans during its final match of the regular season on October 1 - the same match the Reign secured its third NWSL Shield all-time for finishing first in the league. At the end of the 2022 NWSL season, the Reign announced Starfire Sports Complex in Tukwila, WA as its new training facility, just 12 miles away from the club's home stadium.

In April 2023, it was announced that the club was for sale by OL Groupe. The 2023 season featured an all-time league attendance record set by the Reign in the final match of the regular season at Lumen Field when 34,130 fans attended the club's Forever Reign: A Celebration of Megan Rapinoe match. That match also set the league record for broadcast viewership during a regular season game. After finishing the season in fourth place, the Reign battled through the quarterfinal and semifinal to appear in the NWSL Championship for the first time since 2015.

On January 9, 2024, it was announced that the Reign would be returning to its roots and rebranding as Seattle Reign FC. This rebrand saw the return of the original crest from 2013, in a refreshed color palette to symbolize the club's historical success.

2024 REIGN FC KITS

PRIMARY

REFLECTION

The primary kit, **Reflection**, was designed to showcase the core values of Seattle Reign FC. The name originates from the club's progression over the last 12 years, while reflecting on the journey embraced to get there. The kit is a reflection, both past and present, of coaches, players and staff who have helped write and tell the story of Seattle Reign FC. It's also a reflection of Seattle and the communities and supporters who have proudly represented the club for over a decade. The strength of color embodies the strength that this club has carried since the inaugural season in 2013. With gold accents to crown the regal kit, the team makes its triumphant return to its roots. The team takes a moment to reflect on its past, as done in the rebrand, but forge a new and brighter golden future.

SECONDARY

SUMMIT

Summit, the Reign's secondary kit, was inspired by the breathtaking mountains of the Pacific Northwest and the historical excellence of the club. Capturing Seattle Reign FC's deep connection to the environment, the Summit Kit features colors that reflect the club's new color palette. The crisp design of the kit features a clean diagonal cut between the two colors, resembling the peaks of the iconic mountains throughout the Pacific Northwest. More symbolically, this kit represents the heights the Reign has reached over the last 12 years, breaking records on and off the field. From winning NWSL Shields to packing Lumen Field, the club has never stopped climbing and has its sights set on reaching new heights in 2024.

LUMEN FIELD

Lumen Field sits in the heart of Seattle and currently uses turf as the field surface. The stadium first opened in 2002 and in December 2021, Seattle Reign FC announced the world-class venue as its new home, joining MLS' Seattle Sounders FC and the NFL's Seattle Seahawks. In the club's first year at Lumen, the Reign set a new club attendance record in four of the 12 matches played throughout the 2022 NWSL season and went unbeaten in 10 of the 11 regular season home games. Last season, the club broke the all-time NWSL attendance record at the final home game of the regular season, which attracted 34,130 fans.

Lumen Field is designed with a 68,740 seat capacity, with 5,000 additional seats available for special events, and 1,400 seats for fans with disabilities. With a roof covering 70 percent of the seating area, fans will enjoy wide, comfortable seats with sideline seating a mere 52 feet from the playing field and seats behind the goals just 40 feet from the action.

In 2024, it was announced that Lumen Field will play host to six 2026 FIFA Men's World Cup matches.

SUSTAINABILITY AT LUMEN FIELD:

In January 2018, Lumen Field received a "Waste Wise" award from the Environmental Protection Agency for its waste prevention and reduction activities and an international "Sustainability and Community" award at the Stadium Business Summit in London.

In 2019, Lumen Field received the "Community Impact Gold Award for Sustainability" from Seattle Business Magazine and "Environment Protection Agency Very Large Business Partner of the Year Award" in April 2020.
