ABOUT THE NC COURAGE

The North Carolina Courage is a professional women's soccer team that plays in the NWSL (Women's First Division). The Courage are two-time NWSL Champions and three-time NWSL Shield-winners. On January 9, 2017, the North Carolina Football Club announced it had entered into an agreement to acquire the rights to the NWSL 2016 Champion Western New York Flash. The club was then renamed the North Carolina Courage. Steve Malik, owner of the North Carolina Courage, announced his intent to secure the awarding of an NWSL team on December 6, 2016 and achieved that objective in only one month's time. The Courage has the most NWSL trophies (7) of any club in the league's history.

The North Carolina Courage crest is a nod to the history of women's professional soccer in North Carolina, incorporating a stylized lion, a major component of the old WUSA Carolina Courage logo, while retaining the brand identity of the club's parent organization with the signature North Carolina Football Club star and the separated triangle. Additionally, the colors mirror those of the men's side, uniting the two teams under the North Carolina Football Club umbrella, while maintaining their individual identity.

In their inaugural season, the North Carolina Courage won the NWSL regular season, bringing the NWSL Shield home to North Carolina. The team also advanced to the NWSL Championship game. The NC Courage had two league award winners: Abby Dahlkemper (Defender of the Year) and Ashley Hatch (Rookie of the Year).

In 2018, the Courage were the NWSL Champions and Shield-winners breaking the NWSL record for the most wins in a season with 17. The team also broke the record for most points (57), fewest losses (1), most goals scored (53), fewest goals allowed (17), lowest goals against average (.71), and largest goal differential (+36). The Courage defeated the Portland Thorns, 3-0, on September 22, 2018 to win the NWSL Championship. Jessica McDonald was named the NWSL Championship MVP.

In 2019, the Courage won their third-consecutive NWSL Championship before becoming the first NWSL team to win the NWSL Championship on their home turf. In the Courage's 4-0 NWSL Championship win over the Chicago Red Stars, Debinha was named the MVP.

In a shortened 2020 season due to the COVID-19 pandemic, the NC Courage participated in the 2020 NWSL Challenge Cup and the NWSL Fall Series. In 2021, the Courage went 9-9-6 in the regular season. They clinched a spot in the playoffs, where they fell to the eventual champions, Washington Spirit, 1-0 in the 2021 NWSL Playoff Quarterfinals.

The team returned to their winning ways in 2022, capturing the Challenge Cup championship. The Courage never lost in the group stage, earning three wins and three draws to win the East Division. The Courage, seeded third in the knockout stage, took down the Kansas City Current, 2-1, in the semi-finals then beat their fellow East Division Washington Spirit, 2-1, for the title. Debinha was named the Challenge Cup MVP, scoring five goals throughout the tournament.

After a rocky start to the regular season, the Courage went on a heavy playoff push, controlling their own fate on the final weekend of the regular season, but a draw at San Diego left the Courage in seventh place of a six-team playoff bracket. The Courage finished with 32 points, going 9-8-5. They ranked second in goals, goals per game, assists and goal differential for the regular season. Debinha

ABOUT THE NC COURAGE

and Carson Pickett were NWSL First XI while Kerolin Nicoli and Diana Ordonez were Second XI.

Propelled by a league-MVP winning campaign from Kerolin, the Courage returned to the playoffs in 2023 but fell at in the first round to the eventual champions, NJ/NY Gotham FC. The team ended the regular season with a 9-7-6 record, competing for the Shield and a first-round playoff bye for much of the season before a third-place finish.

The Courage also retained their Challenge Cup title in 2023, beating Racing Louisville in the final 2-0 behind Manaka's stellar goal that earned the Courage newcomer the final MVP. In addition to Kerolin's MVP, a first for the team, Kaleigh Kurtz was nominated for NWSL Defender of the Year. Kerolin was also named to the NWSL Best XI First Team, while Kurtz, Denise O'Sullivan and Emily Fox made the Second Team.

The Courage were a consistent top-five team throughout the 2024 regular season, finishing the regular season in fifth place with a 12W-11L-3D record for 39 points and a +6 goal differential. The team qualified for the NWSL Playoffs for the second straight season and sixth time in seven possible seasons in club history. An early goal in the NWSL Quarterfinals cost the Courage in a 1-0 loss to the Kansas City Current at CPKC Stadium. North Carolina also had an impressive NWSL x Liga Mx Femenil Summer Cup run, winning Group E behind two penalty shootout wins to reach the semifinals.

Kaleigh Kurtz, who set the NWSL record for consecutive regular season minutes played en route to her third straight Iron Woman campaign, earned Best XI First Team honors while Ryan Williams earned her first-ever yearly honors as a second team selection. Ashley Sanchez was a finalist for Midfielder of the Year in her first season with the Courage.

The 2025 season for the Courage was spearheaded by a magic campaign from Manaka Matsukubo, who was named the NWSL Midfielder of the Year and earned Best XI First Team honors. Manaka led all midfielders with 15 goal contributions and became the youngest player in league history to score a hat trick.

The Courage narrowly missed out on the playoffs, finishing 9th in the standings with a 9W-9L-8D record and 35 points.

FIRST HORIZON STADIUM at WAKEMED SOCCER PARK

ADDRESS: 101 Soccer Park Drive, Cary, NC, 27511

CAPACITY: 9,200

WakeMed Soccer Park is one of the premier soccer complexes in the United States and is the home of the NC Courage. It opened in 2002 as the home of the Women's United Soccer Association's Carolina Courage.

Prior to the 2025 season, the North Carolina Courage announced a multiyear partnership with First Horizon Bank as the naming partner for the main stadium inside the complex.

The soccer complex consists of a purpose-built, soccer-specific main stadium, two lighted practice fields built to the same specifications as the stadium field, and four additional practice fields. Fields 1 (main stadium), 2, and 3 are all FIFA international regulation size (120 yards x 75 yards).

WakeMed Soccer Park opened in May 2002 as State Capital Soccer Park. It sits on 150 acres on the eastern edge of Cary that the State of North Carolina has leased to Wake County. Money to build the soccer park came from \$14.5 million in county-wide hotel room and prepared food and beverage taxes. The Town of Cary assumed responsibility for operations and maintenance in 2004 from the Capital Area Soccer League.

On January 1, 2008, WakeMed Health & Hospitals, a private, not-for-profit health care organization based in Raleigh, acquired the rights to name the park from the Town of Cary. SAS, a Cary-based software company, previously held the complex's naming rights.

In addition to serving as the home of the NC Courage, WakeMed Soccer Park has also been the host of men's and women's ACC soccer tournaments, men's and women's NCAA College Cups, as well as U.S. Men's and Women's national team friendlies. The stadium will play host to the 2023 NCAA Men's and Women's Lacrosse Championships and the site of the newly-created The Soccer Tournament.
