BAY FC BECOMES A REALITY - EXPANSION ANNOUNCEMENT

On April 4, 2023, the National Women's Soccer League announced it awarded expansion rights for team #14 to an investment group representing the Bay Area, California, which would begin play in 2024.

Co-founded by four U.S. Women's National Team legends—Brandi Chastain, Aly Wagner, Danielle Slaton, and Leslie Osborne—in partnership with global investment firm Sixth Street, Bay FC is changing the face of women's soccer as we know it.

Bay FC is a team that defies convention and transcends culture. We are proud to represent the Bay Area with its tapestry of different ethnicities, languages, climates, and ideas. Our team will be a uniting force, building a culture of belonging and shared pride. We will become a beacon of hope and connection, welcoming and embracing all fans. Our stadium will be a home for people of all backgrounds and identities. We will be the bridge that unites the Bay's diverse communities.

Through our actions and our love of the game, we will inspire and improve the lives of others.

While our community is our foundation, our love of football is our reason for being. We have the fire to be the best, and we will show up on the field every day with intensity, competitiveness, passion, and a drive to win.

We are the Bay. We came to play.

THE CREST

Bay FC is represented by a logo steeped in tradition, yet modern and unapologetically athletic: an iconic “B” mark that fuses bridge iconography with classic gothic typography. The logo represents the Bay Area’s unique culture and style, drawing inspiration from the iconic Golden Gate Bridge and the Bay’s impressive street art scene. The bottom and top serifs also nod to the fog that blankets much of the region.

“Bridges define the Bay Area and are symbols of strength that connect us all. Bay FC will unite the region’s tapestry of different cultures, languages and ideas with shared pride and a sense of belonging,” said Danielle Slaton, co-founder of Bay FC. “Our team will be bold and authentic, while humbly serving something greater than ourselves.”

In the team logo, the bold “B” is further brought to life with a refreshing palette of team colors—dark navy blue, warm poppy red and fog gray—a striking combination that stands out and is inspired by the natural beauty of the Bay Area. Both the name and branding offer a strong and classic style with representation of the community it strives to unify. Bay FC co-founders worked closely with renowned San Francisco-based advertising agency Goodby Silverstein & Partners (GS&P) to create the club’s brand and visual identity.

“Street art and street style are central to the soul of the Bay Area and were a big inspiration for this brand,” said Benny Gold, legendary local streetwear designer and design director at GS&P. “We designed a logo that people from all over the Bay, and far beyond, would be proud to wear and represent Bay FC.”

CREDENTIAL PICK UP

Media should pick up their credential from the Media Will Call window at the Ticket Office located near the main gate of the stadium. If you have not received prior written approval for a credential, a media credential will not be granted for that day. Media Will Call opens two hours prior to kickoff and will close 30 minutes prior to kickoff. If you plan to arrive later or earlier, please make arrangements with Bay FC communications staff to gain entry to the stadium.

STADIUM ENTRANCE

After passing through bag check, media members should enter PayPal Park through the main gate of the stadium. Please do not use any other gate to enter. Gates open two hours prior to kickoff.

ACCESS TO PRESS LEVEL

There are two routes to get to the press level: 1) walk up the stairs in section 101 or 2) take the elevator near the player bridge. Please note, no access is being given to the 'breezeway' between the stadium and Front Office building prior to the match, so please only enter the elevator from the stadium concourse.

ACCESS TO PRESS BOX

Once on the press level, media should turn right from the elevator. The press box is the sixth door on the right. Press box workspace is reserved for members of the Bay FC Communications staff and written media with an assigned seat.

Press Box Restrooms: The nearest restrooms are located at the North and South sides of the upper concourse behind the press box and broadcast booths of the stadium. Media may also access the restrooms in the concourse areas.

PHOTO WORK AREA/FILING

Photographers may use the tent designated behind the scoreboard in the far-left corner as a photo work area before the match, at halftime and post-match. Seating, power and Wi-Fi are available inside the space. If photographers need to file photos from the field, please contact the Bay FC staff 24 hours prior to the match to make arrangements.

PHOTOGRAPHER & ENG/TV NEWS CREW INFO

Photographers are allowed to shoot from either the North or South end lines, behind the field boards or inside the painted boxes on the field. No photographers can shoot next to the Referee Review Areas (RRAs) where video replay checks are done by referees. You also cannot cross through those areas during the match. Movement is not allowed along the sidelines except prior to the game, halftime and after the game. Sideline access is only allowed on the bench side of the field for shooting the pre-game walkouts, coin toss and team photos. Media members are not allowed on the field of play at any time, including pre-game and post-game.

Photo marshals and stadium security will be present on field to assist any photographers with questions or other needs.

Access to Photo Locations: Photographers can access the north side, closer to the bar, from the Northwest ramp near the main gate. Photographers can access the south side through a gate adjacent to the supporters' section, near section 115. Do not enter from the player tunnel at midfield. Photographers should not enter and exit the field from the midfield tunnel.

Photo Bibs: All photographers that are at field level taking photos are required to wear an official Bay FC photo bib. Photographer bibs will be assigned and distributed upon arrival at media will call. Bibs must be returned after the match to the photo work room before departing the stadium.

Photographer Restrooms: Photographers on field level should use the restrooms in the concourse.

Food: Individually packaged food and water will be available. Members of the press on the third level can pick up their food in the press box. All photographers will have food delivered to them in the photo work area tent. Please eat inside the tent or in the press box ONLY. Water is allowed on the sidelines.

POSTMATCH PRESS CONFERENCES/INTER-VIEWS

Bay FC will hold their press conference in the room just inside the hallway leading into the visiting team locker room area. Once you exit the elevator, walk across the breezeway and through the double doors. The press conference room will be immediately on your right.

Following every match, players and head coaches from BOTH teams will be made available in a press conference format (subject to current NWSL MTF protocols). Home teams must provide in-person access to attending media in addition to Zoom press conferences. Visiting teams are permitted to hold Zoom press conferences but should similarly

make every effort to provide access to in-person media.

At least two players will be made available starting approximately 10 minutes after the final game whistle and head coaches will be made available approximately 20 minutes after the final game whistle. Locker rooms will not be open to the media at any point. Both teams will make a reasonable effort to pull additional players upon request.

Team PR directors will highlight players from the match and consider requested names from attending media, or media in the 'NWSLMedia' Slack channel, when deciding on available players.

CREDENTIAL APPLICATIONS

Media members can apply for single-match credentials for the 2024 season by visiting **bayfc.com/media-credentials**.

The club will credential a limited number of non-rights media personnel, subject to the availability of media positions in the press seating areas, photographer and TV areas.

Credentials are for media outlets that need game day press box and/or field access to produce editorial coverage. This includes newspapers, TV, radio and digital websites that produce consistent and professional content as well as photographers on

assignment with designated media outlets or wire services.

Applications from freelance writers, photographers or videographers must come from a direct supervisor validating professional and editorial need for media access.

NOTE: Applying for a credential does not guarantee access. Bay FC Communications staff will review all applications and confirmation will be sent out to those who are approved along with additional information no later than 48 hours before each match.
