Camps and Clinics

The Chicago Red Stars provide soccer-specific camps and clinics to athletes in and around the Chicagoland area with the mission to create an inclusive, challenging and inspiring atmosphere for young female athletes to thrive. The Red Stars aim to help athletes build confidence, leadership skills and personal growth through the game of soccer.

In 2023, the Chicago Red Stars held 15 camps across the Chicagoland area and 10 matchday clinics before select Red Stars home matches. In 2024, the club is aiming to more than double the amount of camps and clinics offered to young athletes around Chicagoland.

Chicago Red Stars camps and clinics are tailored for multiple age groups and varying skill levels during half-day, full-day and overnight programs. Elite, Golden Boot and Goalkeeper camps focus on technique, skill and technical development. Park District camps welcome all skill levels in the Chicagoland area within their own communities, while Satellite camps visit communities outside Chicagoland. Residential camps also provide an immersive experience designed to emulate routines of collegiate and professional athletes.
